Acknowledgement

I am highly privileged and fortunate to express my deep sense of gratitude to Dr. S.R. Manik, Department of Botany Sant Gadge Baba Amravati University, Amravati who inspired me to take over present venture and his enthusiastic guidance throughout the study and exploration of the topic. His generosity allowed me to consult his personal library and collection.

I express and extend my sincere thanks to Dr. J.A. Tidke, Head Department of Botany Sant Gadge Baba Amravati University, Amravati for rendering laboratory facilities and keen interest during the progress of work.

I owe my indebtedness to Dr. P.Y. Bhogoankar Head, Department of Botany, Government Vidarbha Institute of Science and Humanities, Amravati who encouraged me from time to time during progress of the work. Her kindness always showers upon me throughout the course of study and exploration.

I am highly obliged to Dr. D.T. Tayde, Department of Chemistry, Mahatma Fule Mahavidyalaya, Warud for his helpful and fruitful assistance and critical suggestions throughout the course of study. I am further thankful for his timely guidance and attention during the finalization of work comprising spectrophotometry and chemistry.

I gratefully acknowledge the help and cooperation extended by Dr. (Mrs.) K.H. Ingle, Dr. S.N. Malode, Dr. S.B. Jain, Dr. (Mrs.) V.N. Nathar, Dr. M.C. Kale, Dr. D.D. Khedkar, Dr. M.R. Wath, Mr. H.R. Pohekar, Mr. S.V. Satpute, Mr. T.B. Wankhade, Mr. S.N. Tayade.

I would like to keep on record my sincere thanks to all those who have helped me directly or indirectly during the course of investigation.

My special thanks are extended to M.K. Shaikh Prop. of Chatter Box Internet Café & D.T.P. Works, Rock Arcade University Road Camp Amravati for his prompt D.T.P. service.

Kirankumar D. Jadhao
