ACKNOWLEDGEMENT

I thank Almighty God for giving me the courage and the determination in conducting the research study, despite all difficulties.

My deepest gratitude goes first and foremost to my Research Supervisor Dr. S. Arun Das, Assistant Professor, Department of Studies in Geography, University of Mysore, Manasagangotri, Mysore, for his guidance, constructive criticism, valuable suggestion and continuous encouragement during my research.

My sincere thanks to Dr. H. Nagaraj Chairman, Department of Studies in Geography, Manasagangotri, University of Mysore, Mysore for his introspective suggestion, auspicious support and timely help rendered in the conduct of my research.

I wish to express my sincere thanks to Dr. Asima Nusrath Professor and BoS chairperson Department of Studies in Geography, University of Mysore, Manasagangotri, Mysore, for his valuable suggestions.

Ravi Kumar M
ACKNOWLEDGEMENT

I thank Almighty God for giving me the courage and the determination in conducting the research study, despite all difficulties.

My deepest gratitude goes first and foremost to my Research Supervisor Dr. S. Arun Das, Assistant Professor, Department of Studies in Geography, University of Mysore, Manasagangotri, Mysore, for his guidance, constructive criticism, valuable suggestion and continuous encouragement during my research.

My sincere thanks to Dr. H. Nagaraj, Chairman, Department of Geography, Manasagangotri, University of Mysore, Mysore for his introspective suggestion, auspicious support and timely help rendered in the conduct of my research.

I wish to express my sincere thanks to Dr. AsimaNusrath, Professor and BoS Chairperson Department of Studies in Geography, University of Mysore, Manasagangotri, Mysore, for her valuable suggestions.

Studies in Geography, Maharani Arts college for women, Government of Karnataka, Mysore, for their support and encouragement during the course of study.

I extended my sincere thanks to Dr. Shivanand Chinnappanavar and Susanth. Assistant profess of Geography, RIE, Mysore, for her kind help in identification of fishes, useful suggestions and encouragement throughout the course of study.

I would like to appreciate with love the timely help and valuable advice rendered by my friends scholars Umakanth, Vishwantha, Periyannan, and others.

I would like to extend my heartfelt thanks to Department of Studies in Geography, University of Mysore for providing me an opportunity to take up my research work.
Finally, I would like to thank everybody who was supporting me directly or indirectly, important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

CHAPTER 1
1.1 Introduction
1.2 Purpose and the expected outcome of the study
1.3 Objectives
1.4 Hypothesis
1.5 Methodology
1.6 Organization of the thesis
1.7 Review of Literature
1.8 Limitation of the Study

CHAPTER 2: STUDY AREA
2.1 Background of the study
2.2 Rainfall distribution
2.2.1 The Coastal Region
2.2.2 Rainfall in Interior
2.2.3 The Transition Region
2.2.4 Southern Coastal
2.2.5 Central
2.2.6 North Western
2.2.7 North Eastern
2.3 Rainfall Region
2.4 Southern Marginal
2.5 Drainage network
2.5.1 Major Rivers
2.5.2 Medium Rivers
2.5.3 Krishna
2.5.4 Tungabhadra
2.5.7 Cauvery

CHAPTER 3: EXISTING SOURCES OF FUTURE WATER SCARCE KARNATAKA
3.1 Introduction
