Acknowledgement

I avail this opportunity to acknowledge my sincere and whole hearted sense of gratitude to my supervisor-I Dr. C. S. Riar, Professor, Department of Food Engineering and Technology, Sant Longowal Institute of Engineering and Technology, Longowal, for his constant involvement, energetic efforts and proficient guidance, who conceived, detailed and shaped the research problem and provided adequate guidance. Without his wise counsel and encouragement, it would have been impossible to complete the thesis work in this manner. His valuable suggestions and co-operative nature during the course of present investigation would remain encouraging me forever in my life.

I humbly express my thanks to supervisor-II Dr. D. C. Saxena, Department of Food Engineering and Technology, SLIET, Longowal, for constant encouragement and guidance in completing my research work. It is worthy to mention the humble nature, disciplined style of lucid conversation of Prof. P.S. Panesar (HOD) that is beyond praise and providing conducive environment and facilities to carry out the research work.

It is a genuine pleasure to express my deep sense of thanks and gratitude to Dr. Shailendra Kumar Jain, Director, Sant Longowal Institute of Engineering and Technology for providing the necessary technical facilities during my research pursuit. I would like to thank non teaching staff of the department especially Mr. Laxmi Narayan, Mr. Devendar Singh, Mrs. Praveen Goyal, Mr. Om Chand Singh and Mr. Manoj Pandey for their help and cooperation during the research work.

Mere words are never sufficient to express my whole hearted sense of reverence to my respectful father Mr. Rajender and father-in-law Mr. Darmpal Bardwaj, loving mother Mrs. Suresh devi, loving mother-in-law Mrs. Shashi bala and my loving brothers Shailender Sharma and Rakesh Sharma whose silent presence has always guided my efforts. I think words with me are insufficient to express the feeling of my heart to acknowledge them for their difficult job of educating me and keeping me in all comforts.

I would thank to my senior Mr. Mandeep Singh and colleague Ms. Sakshi Sukhija and junior Mr. Farhan Mohiuddin Bhat, who helped me in all the possible ways for the completion
of my work. I would also like to express my hearty thanks to my best friends Romee Jan and Manju classmates for giving me many pleasurable and unforgettable moments.

Finally, I would like to thank my husband, Bhupender Bardhwaj and loving daughter Tiya for your patience, understanding and sacrifices you've made only to support my career. Your love and support has helped make this possible. Achieving my goals would not be as rewarding without you in my life. Most of all, thank you for bringing to my life laughter, compassion, friendship and for putting everything into perspective.

Above all, I am thankful to “The Almighty” who has showered his blessings on me to complete my thesis.
