

ABBREVIATIONS

ANOVA	-	Analysis of Variance
SD	-	Standard Deviation
DMRT	-	Duncan Multiple Range Test
F	-	One Way ANOVA
t	-	Independent Sample t Test
χ^2	-	Chi-Square
H ₀	-	Null Hypothesis
H _A	-	Alternative Hypothesis
MFIL	-	Mahindra Ford India Limited
FDI	-	Foreign Direct Investment
SPSS	-	Statistical Package for Social Science
GDP	-	Gross Domestic Products
IT	-	Information Technology
SIPCOT	-	State Industries Promotion Corporation of Tamil Nadu
SIDCO	-	Small Industries Development Corporation
TNGIM	-	Tamil Nadu Global Investors Meet
SIAM	-	Society of Indian Automobile Manufacturer
OICA	-	Organisation International des Constructeurs Automobiles
USD	-	United States dollar
MNC's	-	Multi National Companies
ACMA	-	Automotive Component Manufacturers Association of India
UK	-	United Kingdom
USA	-	United States America
UAE	-	United Arab Emirates

LIST OF TABLES

Table No.	Title	Page No.
1.1	Major players in each category of vehicles	33
3.1	Questionnaire Design	109
3.2	Reliability Test for Pilot Study Using Cronbach's Alpha	112
3.3	Population	112
3.4	Showing Main Study Data Collection	115
3.5	Main Study Reliability Analysis	116
3.6	Statistical Tools	116
4.1.1	Distribution of Automobile Industry	124
4.1.2	Distribution of Age of the Employees	125
4.1.3	Distribution of Education of the Employees	126
4.1.4	Distribution of Department of the Employees	127
4.1.5	Distribution of Experience of the Employees	128
4.1.6	Distribution of Gender of the Employees	129
4.1.7	Distribution of Marital Status of the Employees	130
4.1.8	Distribution of Family Type of the Employees	131
4.1.9	Distribution of Are of Employment of the Employees	132
4.1.10	Distribution of Designation of the Employees	133
4.2	One way ANOVA showing employees opinion among industry groups with respect to Human Relations	134
4.3	One way ANOVA showing employees opinion among age groups with respect to Human Relations	146
4.4	One way ANOVA showing employees opinion among education groups with respect to Human Relations	158
4.5	One way ANOVA showing employees opinion among designation groups with respect to Human Relations	170
4.6	One way ANOVA showing employees opinion among experience groups with respect to Human Relations	181
4.7	Independent sample t test showing employees opinion between gender groups with respect to Human Relations	193
4.8	Independent sample t test showing employees opinion between marital status groups with respect to Human Relations	203

4.9	Independent sample t test showing employees opinion between family type groups with respect to Human Relations	213
4.10	Independent sample t test showing employees opinion between area of employment groups with respect to Human Relations	223
4.11	Independent sample t test showing employees opinion between designation groups with respect to Human Relations	233
4.12	Correlation analysis showing relationship between human relations and organizational climate	243
4.13	Correlation analysis showing relationship between human relations and organizational performance	246
4.14	Showing chi-square analysis for association between human relation and organizational climate	249
4.15	Showing chi-square analysis for association between human relation and organizational performance	251
4.16	Showing Influence of Human Relation on Organizational Climate	253
4.17	Showing Influence of Human Relation on Organizational Performance	256
4.18	Showing Influence of Human Relation and Organizational Climate on Organizational Performance	259

LIST OF FIGURES

Figure No.	Title	Page No.
1.1	Global Vehicle Production in Million units	29
1.2	Top Contributors to the Automobile Production in Million Units	29
1.3	Productions of Vehicles in India	32
1.4	Market share by category of Vehicles 2013-14	32
1.5	Domestic Sales by category of vehicles in Million Units	34
1.6	Exports of Vehicles in Million Units	35
1.7	Country wise share of exports	35
1.8	Automobile Clusters in India	37
1.9	Tamil Nadu Automobile Sector: Chronological Overview	45
1.10	Automobile Sector: Industrial output & Investments	47
4.1.1	Distribution of Automobile Industry	124
4.1.2	Distribution of Age of the Employees	125
4.1.3	Distribution of Education of the Employees	126
4.1.4	Distribution of Department of the Employees	127
4.1.5	Distribution of Experience of the Employees	128
4.1.6	Distribution of Gender of the Employees	129
4.1.7	Distribution of Marital Status of the Employees	130
4.1.8	Distribution of Family Type of the Employees	131
4.1.9	Distribution of Area of Employment of the Employees	132
4.1.10	Distribution of Designation of the Employees	133
