

## **ACKNOWLEDGEMENT:**

At the foremost, I would like to express my prolific gratitude to my supervisor Prof. L. Anand Babu garu who had accepted, for trusting, considering and confide in me as worth enough to guide for my Ph. D work. I believe that words are not sufficient to express his invaluable, exemplary supervision for which I am really blessed. I thank him immensely and honestly from the core of my heart. His guidance helped me in all the time of my research and in writing of this thesis. I could not have imagine or figure out having a better advisor and mentor for my Ph.D study except Prof. L. Anand Babu garu and it's no exaggeration. Sir, I would like to thank you for being inspirational in accomplishing task.

In writing this thesis, I am exceedingly grateful to Prof. M .V. Ramanamurthy garu, Professor and Head, Department of Mathematics, Chairman Board of studies, Computer science, Osmania University, from whom I have had the invaluable help, showing me the right direction at every juncture, a person who generously assumed the task of an adviser and for whose careful reading and constructive comments, counseling me at every stage of the work is incredible, his continuous support of my study and research, for his patience, motivation, enthusiasm, and immense knowledge. I am exceptionally and truthfully indebted to him. His advice on both research as well as on my career have been priceless. I cannot but think of him in that moment of satisfaction where the achievement of the goal brings.

I would also like to thank Dr. Moiz Uddin Mohd, Professor and Chairman, Board of studies, Mathematics for his support and encouragement to accomplish this task and without whose knowledge and assistance this study would not have been successful.

I sincerely and whole heartedly thank Prof. Rangamma garu, former Chairman Board of studies for her meticulous suggestions made and have been incorporated in the thesis.

I would like to express my special appreciation and thank all the professors in the department namely, Prof. B. Shankar, Prof. J. Anand Rao, Prof. J. Sucharitha for their unstinted support.

I am deeply indebted to our President vasthushilpi Dr. B. N. Reddy garu, our Member Secretrary, Sri. D. Kamalaka Reddy garu and our Principal of Chaitanya Bharathi Institute of Technology (CBIT) Dr. B. Chennakeshava Rao garu without whose cooperation and encouragement, for me it would have been an incomplete dream.

My job would have been not up to scratch had I not received the encouragement and sincere cooperation and support of all my colleagues and faculty members of Mathematics and English of our Department of Mathematics and Humanities.

Of course, my wife, she was always there cheering me up and stood by me through the good times and bad finally the one above all of us, the invisible God.

**(K. Rama Rao)**
