ACKNOWLEDGEMENT

I would like to start by acknowledging the Almighty God for blessing me with ample love, health and opportunities.

My deepest gratitude is for Dr. Naveen Mohini Nigam, my Guide, who has not only been a source of inspiration but has constantly guided me through thick and thin during my research. I would like to thank her for her endless patience, perpetual encouragement and brilliant feedback, without which this research work could not have been completed. Sincere regards to ma’am.

My solemn thanks to Dr. G. S. Nigam- former Dean Faculty of Arts CSJM University, and Head Dept. of English, D.A.V. College, Kanpur – who helped me in shaping this thesis from the origination to the net. Always look forward for your prolific support.

My parents, Mr. Kailash Agarwal and Mrs. Usha Agarwal, have been a constant source of support and motivation during this work. They were always at hand when I was stuck and helped me circumvent the hurdle without any extra effort putting that extra himself. This would sound insufficient if I do not give them credit for their patience. Hats off for this!

It is my pleasant duty to acknowledge library staff of M.M.V. P.G. College, Indian Institute of Technology, Kanpur, Sahitya Akademi, Chandigarh,
American library, Chennai, Arts library, University of Delhi, Juhari Devi Girls’ P.G. College, Kanpur, Central Library, CSJMU Kanpur.

I am very appreciative for the tremendous support that I have received, while completing my thesis, from friends and colleagues also.
