ACKNOWLEDGEMENTS

With all humility, I would like to thank Bhagwan Bholenath and Baba Balak Nathji the Almighty who bestowed me with good health and courage to go through this crucial juncture.

I avail this rarest opportunity to put on record my sincere thanks and heartfelt gratitude to the chairperson of my advisory committee, Dr. Anupama Sandal for her everlasting guidance, enthusiastic interest, constructive criticism, and her soft spoken manner during the course of this investigation and finally, scanning the manuscript in a scientific and acuminous way.

I feel honoured to express profound thanks to the venerable members of my advisory committee, Dr. C.K Oberoi(Professor and Head), Dr. Sangita Sood(Professor), Dr. Jatinder Kishtwaria (Professor), for their critical suggestions and timely help during the course of this study. My sincere thanks are due to Dr. Nageswar Singh (Assistant Professor) Department of chemistry and Biochemistry for his kind cooperation and impeccable guidance.

I avail myself of this rare opportunity to express my ecstatic to Dr. S.R. Malhotra, Dean (COHS). I am also thankful to all my teachers and others members of the Department of Food Science, Nutrition and Technology for their constant encouragement.

I am highly indebted to the worthy Vice-Chancellor, CSK HPKV, Palampur and the Dean, Postgraduate Studies and his office for providing with academic facilities during academic pursuance.

I will never forget cheerful company and unbound affection from galaxy of my friends Rahul, Abhimanyu, Heena, shanu, manjudee and Kanika. I would like to thank my best buddies Jyoti, Latika, Sawan and Sahil for their support and strength.

Thanks are duly acknowledged to the official staff and laboratory staff for their timely and sincere help during the course of my entire study.

Words are insufficient to describe the magnitude of support and love extended to me by my grandparents, my parents (Mr. Rajpal Singh and Mrs. Promila Devi), my source of strength and inspiration for their selfless, precision and sacrifices, heartfelt blessings and firm faith that has made this manuscript reality. I would also like to thank my affectionate brother. Needless to say all errors and omissions are mine.
