ACKNOWLEDGEMENTS

It is with great pleasure I express my deep sense of gratitude to my research supervisor Dr. Utpal Chandra De, Asst. professor, Department of Chemistry, Tripura University, Suryamaninagar, Tripura for his intellectual guidance, constant encouragement, exceedingly unshakable trustworthy attention and the valuable suggestions during the course of this work.

I wish to express my sincere gratefulness to Prof. R. N. Datta Purkayastha (HOD), Prof. Biswanath Dinda (Retd.), Prof. Mahesh Kumar Singh, Prof. Dhiman Sinha, Prof. R. K. Nath, Dr. Swapan Majumder, Dr. Shubhomoy Choudhury, Dept. of Chemistry, Tripura University for their suggestions and encouragement during my work.

My sincere thanks are due to Dr. D. Maiti, Associate Professor & his group, Physiology Dept., Tripura University for extending help in doing some biological studies.

I am thankful to Prof. Badal K. Datta, Botany Dept., Tripura University for taxonomical identification of plants.

I am grateful to the Honourable Vice-Chancellor of Tripura University for giving an opportunity to carry out this work.

I acknowledge the help of IICB, West Bengal and Tezpur University, Assam, India for providing NMR spectra and Mass spectra.

I sincerely thank Dr. Surajit Debnath, Asst. Prof., Dept. of Medical Laboratory Technology, Women’s Polytechnic, Hapania for proving the space for doing some biological studies.

I express my gratitude to the Librarian and all the staffs of Digital Library, Jadavpur University, Kolkata, for providing Sci-finder facilities and also access of various journals and books at their library, the Deputy Librarian of Tripura University for providing me unconditional support for doing library work in the library.
I also express my heartiest thanks and gratitude to fellow colleague Mr. Sanjib Choudhury, Mr. Jayanta Bhowmik, Dr. Prasenjit Rudra paul, Mr. Tapas Das, Mr. Shukhen Bhowmik, Dept. of Chemistry, Tripura University for unconditional support during my research work.

I am greatly indebted to my senior, contemporary and junior companions, Dr. Partha Sarathi Ghosh, Dr. Niranjan Das, Dr. Banti Ganguly Dr. Indajit Sil Sharma, Dr. Rajarshi Banik, Dr. Jayasree Nath, Dr. Jhinuk De, Dr. Indra Ghosh, Dr. Smita Majumder, Mr. Mithun Chakraborty, Mr. Amitaba Sharma, Mr. Sanjit Sutradhar, Miss Pinki Saha, Miss Bandana Das and all other scholars of Chemistry Dept., Tripura University for their timely help in various ways which enable me to complete this work.

Thanks are also due to all the non teaching staff and all the students of Chemistry Dept., Tripura University for helping me during those days.

I express my sincere gratitude to all my teachers for their guidance during my academic study.

I am very much indebted to my Parents, late Rashamoy Ghosh & Smt. Bulu Rani Ghosh, my wife (Mrs. Rupa Gope), brothers, sisters and all my family members for their immense patience, encouragement and support throughout the period of this work.

Finally, I take this opportunity to thank one and all who were directly or indirectly helped me in completing this task.

I remember the Holy name which gave me enthusiasm during bad moods. My greatest regards to the Almighty for bestowing upon me the courage to face all the complexities of life.

Ranjit Ghosh
