ACKNOWLEDGEMENT

It is difficult to find appropriate words to express my profound sense of gratitude and respect to my supervisor Dr. R. K. Singh, Head, Department of Chemistry Kamla Nehru Institute of Physical and Social Sciences, Sultanpur, for his skillful guidance, unending confidence and for being a constant source of inspiration to me. He took deep interest in the investigation and gave suggestions and ideas at every step of the work.

I owe my humble gratitude and respect to my tau ji Prof. J. D. Pandey, former head, UGC Emeritus fellow, Department of Chemistry University of Allahabad, Allahabad. His inspiring and valuable guidance, encouragement, contribution and affection served as a rock during my research period.

I am highly thankful to the faculty members of the Department of Chemistry Kamla Nehru Institute of Physical and Social Sciences, Sultanpur for their valuable guidance provided to me time to time during investigation period.

I would like to put in record my everlasting gratitude and deepest respect for Late (Mrs.) Prabha Pandey, although I was unfortunate to spend very few days with her due to her sad and untimely demise.

I am highly thankful to Prof. (Mrs.) Krishna Misra, Co-ordinator, IIT, Jhalwa, University of Allahabad, Allahabad for her inspiration and valuable suggestions during the entire period of work.

I am very much thankful to Mrs. Rashika Anurag, Mrs. Shubha Pandey and Dr. Siddharth Pandey, Associate Professor, Department of Chemistry, IIT Delhi, for their kind cooperation.

I am also thankful to Dr. J. K. Lal, Principal, St. Andrews College, Gorakhpur.
I would like to express my heartfelt thanks to Dr. N. K. Soni for their cooperation and constant encouragement without which this work would have never been accomplished.

I also thankful to Dr. V. Sanguri, Dr. R. Dey, Dr. J. Chhabra, Dr. M. K. Yadav, Dr. K. K. Tiwari, Dr. D. K. Dwivedi, Mrs. Nidhi Singh, Vishnu Dwivedi, Vikas Singh, Miss Tanu, Prakash and Prashant for their kind cooperation.

I would like to thank my friends Geeta, Gopal & Anoop and cousins Durgesh & Prashant for their encouragement and cooperation during research work.

I owe my overwhelming gratitude to Mr. Manoj Mishra (My Fiancee) who gave me constant support & motivation to continue with this endeavor.

Last but not least, I am extremely indebted to my parents Mr. Bhajuram Pandey & Mrs. Girjesh Pandey, my grandfather Lt. (Mr.) Brahmdeo Pandey, my grandmother Lt. (Mrs.) Rajdei Pandey, my sister Mrs. Nidhi Mishra, my brother-in-law Mr. Surendra Kumar Mishra & lovely niece Moulii and my loving younger brother, Neeraj Pandey for their inspiration, love, blessings and continuous encouragement which enabled me to complete the present research work.
