Acknowledgement

I feel great pleasure to evince my profound sense of veneration and gratitude to Dr. B.D. Singh, Former HOD Botany, K.S. Saket P.G. College, Ayodhya-Faizabad (U.P.) India for his keen interest, invaluable guidance, unstinted support, even enlivening and amboldening posture, constructive criticism and encouragement throughout the pursuit of the present study.

The author solicits his sense of gratitude and indebtedness to respected Former Principals Dr. H.B. Singh, Dr. S.R. Agrawal, Dr. Ram Avadh and Dr. V.N. Arora, K.S. Saket P.G. College, Ayodhya-Faizabad (U.P.) for providing necessary facilities and helpful attitude throughout the course of present investigation.

I extend my cordial thanks and express my gratitude to Dr. S.K Pandey and Dr. K.K. Patel, Dept. of Botany, K.S. Saket P.G. College, Ayodhya-Faizabad for their precious advice and interest which were responsible for the accomplishment of this target.

I am over whelmed with rejoice to avail this rare opportunity to evince my profound sense of indebtedness my beloved father Sharda Prasad Singh, mother Smt. Phool Kala Singh, brother Upendra Vikaram Singh and friends Mr. Pankaj Saxena and Mr. Chandra Prakash Srivastava.

This work could take its present shape only on the foundation of sacrifices and hardships endured cheerfully by my family members and well wishers.

Last but not least, I would like to thanks all those whose names are not mentioned above but who were always by my side whenever, I needed them the most.

(Shrmender Vikram Singh)
