ACKNOWLEDGEMENT

It would not have been possible to write this doctoral thesis without the help and support of the kind people around me, to only some of whom it is possible to give particular mention here. This thesis has been completed with the cooperation of innumerable individuals. I, express my heartfelt gratitude and dedicated this page to all those who have actively or silently helped me in the processing and carrying out the work. Hence a few require special mention.

This thesis is the end of my journey in obtaining my Ph.D. I have not traveled in a vacuum in this journey. This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well-wishers, my friends, colleagues and various institutions. At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. Hence, I take this opportunity to express my gratitude to all those who contributed in many ways to the success of this study and made it an unforgettable experience with value addition.

I am extremely indebted to my Supervisor, Dr. Rajendra Singh, Prof & Head Indore Institute of Computer Applications for his continuous support on my Ph.D study and research, for his patience, motivation, enthusiasm and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D work. I am very much thankful to him for picking me up as a research student under his guidance. His motivation and mentoring always boost me during my research work.
My deepest sense of gratitude to Dr. Manas Dasmishra, (Shri Vaishnav Institute of Management, Indore) for his support during the course of research. I gratefully acknowledge his wise counsel and criticism for completing this work in time. The joy and enthusiasm he has provided for my research was contagious and motivational for me, even during tough phases in the Ph.D. pursuit.

I warmly thank Prof. Dheeraj Nim, Prof Sanjay Sharma and Mrs. Shikha Agrawal, for their valuable advice, constructive criticism and his extensive discussions around my work. My special thanks are due for sparing the valuable time to go through the draft and making criticisms in spite of their busy schedule.

My thanks are also due to Dr. Yogeshwari Phatak, Director, Prestige Institute of Management and Research, Indore for her support whenever required. The library facilities and computer facilities of the Prestige Institute of Management and Research, as well as the staff have been indispensable.

Last but not the least, I would like to thank my family, my wife Dr. Nidhi Shrivastava and the son Vinamra for sparing me and bearing with me, while I consumed time for carrying out this piece of work in spite of busy household chores and job responsibilities. Without their support and cooperation every step of the way, this work would not have been completed.

(Sanjeev Singhal)
