Acknowledgement

I have great pride and privilege in expressing my deep sense of gratitude to my Supervisor, **Dr Anjana Jajoo**, School of Life Sciences, Devi Ahilya Vishwavidyalaya, Indore, M. P., India for allowing me to register under her and enabling me to work for my Ph.D. at NRCPB. I should express my gratitude towards her because of her ever cheering encouragements as, ‘best luck’ and valuable help during the study. I avail this opportunity to express esteem and profound sense of gratitude to my Co-Supervisor **Prof. Srinivasan**, National Research Center on Plant Biotechnology, New Delhi, India for his valuable and generous guidance, versed advice, constructive criticism and sustained interest during the course of investigation.

I express my heartily thanks to the Prof. K. N. Guruprasad, Ex Head of the Dept. DAVV, Indore and Prof. K. R. Koundal, Ex Project Director, NRCPB for giving me permission to carry out the research work at NRCPB.

I express my sincere thanks to Prof. Sudhakar Bharti from DAVV, Indore, Dr S. R. Bhat, Dr P. K. Jain, Mr. R. S. Jaat, Dr K. C. Bansal, Dr P. A. Kumar, Dr T. Mohapatra, Dr T. R. Sharma, Dr R. C. Bhattacharya, Mrs Seema Dargan from NRCPB, New Delhi, Dr Moushmi Ghosh, Dr Niranjan Das, Dr Dinesh Goyal from TU, Patiala, Prof. S. S. Gosal, PAU, Ludhiana, Mr Gagan Mittal, Punjab University, Chandigarh, Mr. Sudarshan Munjal, GSSS, Kaithal, for their precious guidance, motivation and support before and during this study.

I should express my special thanks to Dr Dip Narayan Saha and Dr Dhiraj Ramesh Thakare, to help me in understanding the basics of experimental molecular biology and in executing various experiments which needs expertise hand.

I also gratefully acknowledge the help and co-operations of my seniors Pankaj sir, Ashutosh sir, Dvivedi sir, Selote sir, Gautam sir, Jagadish sir, colleagues Pooja Chaudhary, Pooja Mehta, Sonal, Srinivas, Navin, Keshav, Gunvant, Amit, Ashish, Betsy, Jayesh and juniors Suruchi, Anil, Anshul, Naresh, Ankita, Neetu, Divya, Tina, Pooja Sharma, Deepak,
Siddana and Priyanka. Contribution made by Pooja Chaudhary, Deepak, Siddana, Anshul and Naresh in thesis compilation is duly acknowledged.

I will be failing if I forget to extend heartfelt appreciations and thanks to all my friends Raman Jindal, Nisha Jindal, Naveen Gautam, Brijendra, Deepak and Vinod Sir for their memorable company throughout my stay and making NRCPB my next home. I also thank to Dr Rampal Singh Niranjan and Dr Anil Singh to make it possible to reside in Delhi as of their homely conduct.

Words cannot express the sense of indebtedness and appreciation for my parents, younger brothers Sameer and Sagar, my sister Gayatri and my brother in law Mr. Naveen Jindal. All my family members have been acted as constant driving force towards accomplishment of this work.

The financial assistance provided by Department of Biotechnology, Govt. of India, in form of Senior Research Fellowship and Indian Council of Agricultural Research, New Delhi, in form of Research Associateship is also duly acknowledged.

Dated:

Vajinder Kumar
