Acknowledgement

First of all I would like to thank almighty for his blessings without which the satisfaction and euphoria that accompanies the successful completion of task would have been impossible.

I deem in my immense pleasure in expressing my profound regard and deep sense of gratitude to my teacher and guide Dr. (Mrs.) Shabd Preet (Dept. of Zoology) of Dayalbagh Educational Institute, Agra for her benevolent and sagacious guidance, constructive criticism, unwavering encouragement, supervision, keen interest and constant relevant help throughout this investigation has poured the way for successful completion of this project.

I am indebted to Prof. Sani Prakash (Head, Dept. of Zoology) and all staff members for always being there to encourage and support me in all possible ways.

I also find inexpressible pleasure while expressing my most sincere thanks to Ms. Sneha Angjala and Ms. Shivani Gupta for their support, unmatched assistance and guidance during the course of my work. I am thankful to Mr. Lalit Mohan for his help in microphotography. I am thankful to my colleagues Ms. Arti and Ms. Kanchan for their help and support. I am also thankful to Officer-in-chief, SAIF, AIIMS, New Delhi, who helped us in characterization of AgNPs though TEM. Thanks are also due to Mr. Vinay for technical assistance.

Last but not the least my deep thanks to my parents, brothers and friends and batch mates who have been chief contributors throughout this endeavor.

Priyanka Johari
