ACKNOWLEDGEMENT

True, 'Words pay no debts', but the least one can and should do is to acknowledge the debts in sincere words. The blessings of God are beyond all thankfulness, for lending his divine hand to accomplish my goal. I wish to express my sincere gratitude to my most respected learned supervisor, Dr. Vijay Pratap Singh Reader, Department of English, K.N.I.P.S.S., Sultanpur for his valuable suggestions, corrections and amendment in the research work. Without his scholarly guidance this would not have been possible. My heart felt thanks to my family. I feel indebted to my parents for their constant patience and co-operation throughout. My thanks are also due to Angel whose lively talks and perpetual moral support kept me steadfast.
