ACKNOWLEDGEMENT

First and foremost, I would like to thank my supervisor Dr (Ms) Bharti P Dave, Professor and Former Head, Department of Life Sciences, Maharaja Krishnakumarsinhji Bhavnagar University, Bhavnagar for her always insightful suggestions and expert guidance. Her unwavering commitment to his students and constant demand for excellence really helped me bring this work to fruition. The joy and enthusiasm she has for her research was contagious and motivational for me, even during tough times in the Ph.D.

I express my sincere gratitude to my Co-Guide Dr B N Jha, Ex-Chief Scientist, CSIR-CSMCRRI for his encouragement throughout my research work.

I would also wish to express my gratitude to Prof Nisheeth C Desai for extended discussions and valuable suggestions which have contributed greatly to the improvement of my research work.

I gratefully acknowledge the funding source that made my PhD work possible. I was funded by the Earth Science and Technology Cell (ESTC), Ministry of Earth Sciences (MoES), Government of India (GoI), New Delhi.
I am also thankful to Dr Anjana K Vala, DST, Woman Scientist for her help in stimulating suggestions and countless hours of discussions.

I sincerely admire the contribution of all my lab mates Ms Bhumi Sachaniya, Mr Haresh Panseriya, Dr Dushyant Dudhagara, Dr Rahul Rajpara, Dr Neelam Nathani, Ms Prashakha Shukla, Dr Hiral Trivedi, Dr Jvalant Bhatt and Dr Jaykishan Dhangdhariya for extending their unstinted support, timely motivation, sympathetic attitude and unfailing help during the course of entire study.

I would like to thank the entire staff of Department of Life Sciences, M K Bhavnagar University for providing excellent working conditions and instrument facilities. My special thanks to Dr Varsha Narsian for her kind help with instrumentation facilities.

Lastly, I would like to thank my family for all their love and encouragement. For my parents who raised me with a love for science and supported me in all my pursuits. And most of all for my loving, supportive, encouraging, and patient wife whose faithful support during the final stages of my PhD is so appreciated. I am also thankful to my dear son for giving me happiness during the last month of my study.

Thank you.
