ACKNOWLEDGMENTS

I sincerely acknowledge the inspiration, encouragement and guidance given by Dr. Anvita Abbi. The sustenance of my interest in Linguistics is largely due to Dr. Abbi from whom I took the first lessons in the subject. I was lucky enough to secure her able guidance for my Ph. D. dissertation. But for her keen interest in my work and kind disposition towards me, my attempt to complete the dissertation would have remained abortive.

My parents Mr. Umeshwar Mishra and Mrs. Gayatri Devi, and brothers Mithilesh Kr. Mishra and Gangesh Mishra helped and encouraged me morally to continue and complete my studies, and all have my deepest gratitude.

I am grateful to Dr. Umesh Singh, Dept. of Statistics, B.H.U.; Mrs. Asha Singh, Teacher, Central School, B.H.U.; Dr. Usha Singh, Dept. of Geography, Women's College, B.H.U.; Mr. Brahmadeo Madhur; Dr. Kamla Madhur; Mr. R.K. Singh, Chief Executive, GEC, Calcutta; Binay Nath Jha; Mr. Roy Stephen; Mrs. Rebecca Stephen, and Ms. Neelam Bohra who helped me in many ways in making my writing work successful.

I thank Dr. Kapil Kapur, Centre of Linguistics & English, J.N.U.; Dr. T.N. Singh, Emeritus Prof. of English, B.H.U.; Dr. Anand Kumar, CSSS, School of Social Sciences, J.N.U.; and Dr. Manjula Rathaur, Dept. of Sociology, Vasant Kanya Mahavidyalaya, Varanasi, who have been a constant source of inspiration and
encouragement to me.

I am highly obliged to Mr. Bhartendu Jha (Babloo), Ms. Poonam Jha, and Ms. Nutan Jha who helped me in many ways in making my field work successful in Ranchi.

I am also grateful to the following informants for their active cooperation in collecting the data: Mr. and Mrs. Fredrick Tirkey, Ms. Eliza Ekka, Mr. Joseph Ekka, Mr. Jeevan Vijay Bara, Mr. Rajesh Tirkey, Mr. George Tirkey, Ms. Helena Tirkey, Mr. Julius Ekka, Ms. Jassinta Ekka, Sister Jyoti, Father Clement Minj, Mr. Lawrence Minj, Mr. Siril, Mr. Vijay Tirkey, Mr. Herman Tirkey, Lalit, Mr. Marshall Tirkey, and Asha.

I am indebted to my friend Ajit Tirkey, who continually came forth with helpful ideas and materials on his own initiative as well as in response to my requests and made my field work in different villages of Ranchi successful.

I am also thankful to Mr. S.N.Ghosh and Ms. Arti Sen for their generous cooperation and assistance.

Finally, my gratitude to my wife Bina and daughters Payal and Pooja goes beyond anything I am able to express. Without their patience, understanding and support over a longer period than any of us originally envisioned, the writing of this dissertation would have been an impossible task.
