ACKNOWLEDGEMENT

“Never regard study as a duty but as an enviable opportunity to learn to know the liberating influence of beauty in the realm of the spirit for your own personal joy and to the profit of the community to which your later works belong.”

~Albert Einstein

Writing this thesis has been fascinating and extremely rewarding. I would like to thank a number of people who have contributed to the final result in many different ways.

To begin with, I owe it to Almighty GOD, to have bestowed upon me good health, courage, inspiration, zeal, wisdom, light and the strength to undertake this research task and enabling me to its completion.

I express my gratitude and appreciation to our Ph.D coursework instructors Dr. Pratika Mishra, Dr. Jitender Bhandari and Dr. Ajay Kumar Chauhan and other members of the Ph.D department for their continuous support during my entire journey of the research.

I also express my heartfelt gratitude to Dr. Irfan A. Rizvi and Dr. Sapna Popli for being my pillar of strength. They have been an important part of my professional and personal growth and I shall always be indebted to them.

I owe a lot to my parents and my sister who encouraged and helped me at every stage of my personal and academic life, and longed to see this achievement come true. I am very much indebted to my family, who supported me in every possible way to see the completion of this work.
