Acknowledgement

I would like to take this opportunity to express my regards and thankfulness to my supervisor Dr. (Mrs.) Tage Rupa, Assistant Professor of Department of Geography, Rajiv Gandhi University Itanagar for her suggestions, constant guidance and valuable time given to me. I express my deep sense of gratitude and Sincere thanks to my co-Supervisor Professor R.C. Joshi, Department of Geography, Kumaun University, Nainital for taking initiative and encouraging me to carry out this research work. Without his support and guidance this research work wouldn’t have been possible. My special thanks go to the HOD, Geography Department, Dr. N. Kar for his help and support for smooth completion of my work. I also take this privilege to thanks Professor T. Riba, Dean, Environmental science RGU, for his guidance and support. I also would like to thanks Dr. S.K. Patnaik, Associate Professor, Geography Deptt., RGU for his suggestion and help. My thanks also go to Dr. N. Singh, Associate Professor, Geography Deptt. RGU for her guidance. My sincere thanks go to Dr G. Nimachow, Assistant Professor, Geography Deptt., RGU, for his guidance and help. My thanks go to all the staff of the Geography Department for their help and support in completion of the research work.

My sincere thanks go to the Director, Technical and Higher education for granting me study leave for the completion of the research work. I am also thankful to Dr T. Padu, Deputy Director, Technical and Higher Education, Itanagar for his valuable help. My grateful thanks go to Dr Jumri Riba for helping me in completing my research work. I am thankful to Dr. S. Tangjang, Assistant Professor, Botany Deptt., RGU for his help. I am also thankful to Dr. Jawan Singh Rawat, Miss Momme Misia, for their valuable time and help. My thanks go to N. Wangsu, A.D.O, Khonsa for his valuable help in providing relevant secondary data. My thanks also go to Miss. Chathey Lamaty for her valuable help in my research work. I am also thankful to Forest Department, Khonsa for providing me help in my secondary data collection. I also thank the Remote Sensing Centre, Itanagar for providing necessary information for the completion of my work. I am thankful to the warden of Siang hostel for providing the accommodation for completion of my research
work. My thanks also go to friends and staffs of Siang Hostel for their kind help and cheerful words.

I express regards and gratitude to my beloved parents Shri. Thowang Bangsia and Smti. Rinnya Bangsia for their love and blessings. My sincere thanks go to my eldest brother Mr. Telit Bangsia and elder Sister Neeliam Bangsia for their valuable help in data recording. Without their help the research work would not have been completed. My thanks go to my eldest sister Smti. Chule B. Tesia and brother-in-law R. Tesia for helping me with secondary data acquisition and my thanks also go to my younger brother Kamhang Bangsia for his unseen support and help throughout the research work. I also express regards and thankfulness to my in-laws Mr. N. Wangsu and Mrs. K. Wangsu for their support and blessings during my research work.

Finally my heartfelt love and thanks to my Husband Mr. Jashi Wangsu for being always there for me throughout my Research work.
