ACKNOWLEDGEMENTS

Since the start of this investigation, I received cooperation from so many persons. I wish to express my deep sense of gratitude to them.

First of all the man who deserves thanks is my supervisor Dr. N. K. Singh (Associate Professor and Head), Department of Botany, M.I.K. (P.G.) College, Balrampur. I wish to record my deep sense of gratitude for his sagacious guidance valuable suggestions and constant encouragement. My expression of thank is only a frail of my indebtedness to him.

I express my thanks to Dr. O. P. Mishra, Principal, M.I.K. (P.G.) College, Balrampur for providing necessary facilities required for the completion of research work.

I am also grateful to Dr. Rajiv Ranjan Assistant Professor, Department of Botany, M.I.K. (P.G.) College, Balrampur, without whose help the work would not have seen the light of the day.

I further, wish to place on record my grateful acknowledgement of the willing co-operation of the staff of the Department of Botany, M.I.K. (P.G.) College, Balrampur, who were kind enough to help me when needed.

Words are not enough to pay thanks to my parents, Late Raghvendra Pratap Shrivastava and Smt. Shashi Shrivastava, who made my able to perform such a grate task and took all the pains while doing this research work.

I also wish to express my thanks to my respected Father-in-law Late. Shyam Mohan Lal Shrivastava, Mother-in-law Smt. Meera Shrivastava and my Husband Sri. Akhilesh Shrivastava for their affection, co-operation and encouragement, who did all the best efforts in bringing me all possible happiness, I hope they shall be as much helpful to me in future as well.

I would be failing my duty if I do not mention my sister Smt. Nidhi Shrivastava for her untiring devotion, understanding and inspiration.

Above all, I bow my head before the ALMIGHTY GOD who gave me power, energy and enthusiasm to accomplish the work.

Blessing
