ACKNOWLEDGEMENTS

It gives me immense pleasure to avail myself of this opportunity to express my sincere thanks and profound sense of indebtedness to my supervisor, Dr. T.P. Mall, Reader & Head, Postgraduate Department of Botany, Kisan P.G. College, Bahraich (U.P.) for his guidance and support. His invaluable suggestions and his painstaking efforts have further helped me immensely to organise my work in its present form. He shaped my vague notions into concrete forms.

I am extremely grateful to Dr. S.C. Tripathi, Reader, Dr. S.C. Shukla, Dr. A.K. Srivastava, Dr. P.K. Singh, Dr. R.K. Singh, Faculty Members of the Department of Botany, Kisan P.G. College, Bahraich, for their unstinted help and advise in this study.

I am thankful to the Principal, Kisan P.G. College, Bahraich, for providing me necessary facilities during present research.

I am thankful to the Director, NBRI and CIMAP for providing me access to various facilities available in their respective institutes.

I can never forget the moral support and inspiration of Dr. A.K. Shukla, Reader, Department of English, DDU Gorakhpur University, Gorakhpur, Dr. D.S. Mishra, Head, Department of
English, Saket P.G. College, Faizabad and Dr. J.P. Tewari, Head, Department of Botany, M.L.K.P.G. College, Balrampur. They, from time to time, helped me and guided me during the course of research.

I extend my most sincere thanks to Dr. Ashok Singh, Reader & Head, Department of Physics, Government P.G. College, Bangarmau, Unnao, Dr. Surendra Singh, Reader & Head, Department of Chemistry, Government P.G. College, Matth, Mathura, for providing me a lot of material related to my dissertation.

I am grateful to my younger brother Rajnish Bajpai, sister Nidhi Bajpai, brother-in-law Reetesh Shukla, Umesh Shukla and friends P.K. Saini, Nafees Ahmad Ansari and Lavanya Shukla who provided me the internet material and helped me in the proof-reading of the thesis.

Though the words can express my profound sense of gratitude and indebtedness to the members of my family, yet I would like to mention the name of my bhabhi, Mrs. Vibha Bajpai for her kind co-operation in the writing of the present work. I can never forget the careness of my daughter Anshika, the affection of my nephew Poornendu and niece Pranalika.
It would have been impossible for me to give this thesis a final shape without the unwavering support, faith and love of my wife, Mrs. Archana Bajpai. She helped me in collecting the research material and also in the final proof-reading.

I do not know what course of my life would have taken, had it not got the love, support and security from the side of my parents and my elder brother. My mother, Mrs. Basanti Bajpai, who calls me her most dear child, always gave me emotional support and encouraged me to rise higher and higher in the academic world. My father, Late Mr. Ram Autar Bajpai provided me every type of support. I wish he had been on this occasion to bless me.

I am unable to adequately translate in words my reverence and admiration for my elder brother, Mr. Vinit Bajpai, who has shaped my career and provided me mental and financial support during the completion of thesis.

I express my profound sense of gratitude and indebtedness to these three inspirational and encouraging personalities.

Since this work is the result of the collective support and affection of these three personalities and therefore I have dedicated this work to my parents and my elder brother.

(Ratnesh Kumar Bajpai)
