ACKNOWLEDGEMENT

I wish to express my sincere gratitude to those individuals who have continuously supported me during my journey of the doctoral research. Foremost, I would like to express my deepest regards and sincere thanks to my supervisor Professor (Dr.) Satendra Kumar, Professor and Head, Research Center, C. K. Shah Vijapurwala Institute of Management, Vadodara for the continuous support for my research, for his patience, motivation, enthusiasm, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my doctoral study.

The completion of the doctoral work could not have been possible without flawless support and guidance of the DPC (Doctoral Progress Committee) Members: Dr. Kunjal Sinha, Associate Professor, C. K. Shah Vijapurwala Institute of Management, Vadodara and Professor (Dr.) Rajnikant Patel, G. H. Patel Post Graduate Institute of Business Management, Vallabh Vidyanagar. Sincere thanks to Dr. Hemant Trivedi, Chairperson, Faculty of Communication, School of Communication Flame University, Pune, Dr. Dhaval Maheta, Assistant Professor, G. H. Bhakta Management Academy, Department of Business and Industrial Management, Veer Narmad South Gujarat University, Surat, Dr. Ravi Vaidya, Associate Professor, S. R. Luthra Institute of Management, Surat and anonymous experts for their valuable suggestions.

I would like to extend my thanks towards entire team of Gujarat Technological University for all their support. I express my sincere gratitude towards Late Dr. A. S. Charan, Former Director, S. R. Luthra Institute of Management, Surat and Dr. J. M. Kapadia, Director, S. R. Luthra Institute of Management, Surat for all the support and encouragement to complete the study.

My sincere thanks goes to Dr. Rajesh Khajuria, Director, C. K. Shah Vijapurwala Institute of Management, Vadodara and entire team of the institute for conducting all my DPC reviews and providing all the support and resources required during all these years.

Special thanks to Dr. Hiren Patel, Assistant Professor, S. R. Luthra Institute of Management, for helping me understand technical concepts of Statistical Analysis. His continuous motivation and support enabled me to complete doctoral research.
I express my sincere gratitude towards Indian Institute of Management, Ahmedabad and Dr. Kiran Pandya, Professor and Head, Department of Human Resource Development, Veer Narmad South Gujarat University, Surat, for providing an opportunity to access their resources for the research.

I would like to extend my thanks towards management of the public hospitals and healthcare centers of Surat district. Appreciation goes to the doctors, nurses, ward-boys and other members of the healthcare facilities, for their kind co-operation in conducting survey. Special thanks to Dr. Naitik Chaudhari, Chief District Medical Officer and Civil Surgeon, General Hospital, Vyara and Dr. Hemaxi Desai, Medical Officer, Primary Health Center, Dihen, Olpad for their kind co-operation for the research. Sincere thanks to Mr. Sameer Soni and Mr. Kantilal Khambhati for their help in translating the questionnaire into Gujarati language.

My journey of research was always supported by my Mom, Dad, Sister, Brother and my Husband. The thesis is dedicated to them for all their support, love and motivation. Special mention is to be given to my daughter – Renisha for her unconditional love, her smile has always kept me going through this long phase.

I would like to thank my colleagues cum friends, Ms. Delanz Variava, Assistant Professor, S. R. Luthra Institute of Management, Surat and Ms. Parinaz Bharucha, Assistant Professor, S. R. Luthra Institute of Management, Surat for their continuous support and motivation throughout this journey.

Lastly, I thank all those who have directly or indirectly contributed to make this journey successful.

Rupal Kantilal Khambhati
