University, Gorakhpur for taking keen interest in solving several intricate problems and giving meaningful suggestions throughout the period of this study.

I also wish to acknowledge my gratefulness to Dr. Y. N. Pandey and Dr. Sailesh Pandey, Lecturer, Department of Botany, K.S. Saket P.G. College, Ayodhya-Faizabad for aiding the development of my thinking in relation to preparation of this manuscript.

I convey my sincere thanks to my friends Dr. K.K.Tiwari, Anurag Agarwal, Er. Anand Swaroop Tripathi, NER, Gorakhpur, Dr. Arun Pandey, Sri. R.L.Pal, OS, Academic Section, Dr. R.M.L. Avadh University, Faizabad and Ms. Vandana Tripathi for their love and specific help in fulfillment of their ambitious pursuit.

The thesis could not have been completed without the help and assistance of so many books and journals that have helped me a lot. Therefore I express my gratitude from within towards all those authors and editors whose books and journals have been of great help for us.

I have no word to express my grateful to my parent who have sacrificed a lot for my higher education and happiness.

Lastly, I feel that the word not enough to express my feelings regarding the affectionate cooperation and encouragement given to me by my wife Mrs. Archana Tripathi and native daughter Baby Khyati inspite of the hardship they had to undergo from the beginning of the project to its successful conclusion. Last but not least, I would like to thanks all those whose names are not mentioned above but who were always by my side whenever, I needed them the most.
