ACKNOWLEDGEMENT

My first thanks and praise for Almighty GOD, the sustainer after universe and the most kind and merciful, without his blessings nothing would have been possible. I thank to him for the strength and patience that He provided me to complete this research work.

This research is a culmination of extensive study, but not a solitary effort. There are numerous individuals who have provided me with support and encouragement in form of precious ideas and required guidelines.

I wish to express my deepest gratitude to Dr. Himanshu Shekhar Singh, my guide and inspiration who provided me scholarly guidance, expert opinion, encouragement and inspiration to complete this study.

I am also grateful to Professor H. P. Pandey (Dean), Dr. Ashok Kumar Shukla (Head), Dr. R. N. Rai and Dr. Shailendra Verma for their constant help, valuable support and encouragement.

I owe a very special thanks to my organization, Institute of Technology & Science, Ghaziabad, Who facilitated me to continue with my research. Without his help and support this task would have been very difficult to achieve.

I wish to express my grateful sentiments and appreciation to my son Rishi and my wife Varsha who had been with me during some unforgettable difficult moments of my life, my thanks and love for their sacrifices and patience during my doctoral education. There are a number of sincere friends who helped me tremendously with
their academic, non academic and emotional support. Dr. Satish Kumar, Dr. V. N. Bajpai, Dr. Pankaj Kumar, Dushyant Tyagi, A. P. Tripathi, Puneet Mohan and many others who proved to be a source of inspiration and encouragement. My sincere thanks is also due to Dr. Manoj Kumar Dash and Dr. D. K. Tripathi without whom support and guidance this could not have been possible.

With gratitude, I acknowledge the invaluable cooperation extended to me by the staff of District Industry Centre and National Informatics Centre, Sultanpur in collection of necessary data and information for my research.

I acknowledge the invaluable cooperation extended to me by the staff of Library of the Delhi University, Ratn Tata Library and Institute of Technology & Science in collection of necessary data and information for my research.

The main source behind this attempt was the inspiring wish of my parents who wanted to see me as a management professor and perhaps my accomplishment of acquiring Doctorate in HR can satisfy them to some extent. This work is the highest formal educational achievement for me, I dedicate this work to my parents Shri J. P. Pandey and Late Smt. Savitri Devi.
