LIST OF TABLES

Table 4.1. Statistical Constants for the distribution of Life Satisfaction Scores..67

Table 4.2. Mean & SD of life satisfaction score (Levels wise)..........................68

Table 4.3. Mean & SD of life satisfaction score (Gender wise) .........................69

Table 4.4. Mean and SD of life satisfaction score (age wise).........................70

Table 4.5. Statistical Constants for the distribution of EI Scores .......................71

Table 4.6. Mean & SD of Emotional Intelligence score for different levels........72

Table 4.7 Mean Emotional Intelligence scores (Gender wise) .........................76

Table 4.8 Mean & SD of Emotional Intelligence scores (age wise)..............80

Table 4.9 Correlation coefficient between EI and LS................................84

Table 4.10 Correlation coefficient between Levels and Life Satisfaction..........86

Table 4.11 Correlation coefficient between Gender and Life satisfaction.........86

Table 4.12 Correlation coefficient between Age and Life Satisfaction.............87

Table 4.13 Intercorrelation Matrix for EI, Age, Gender and Levels ..............87

Table 4.14 Stepwise contribution of IV's on DV ........................................88

Table 4.15 Variable entered on step 1 – Emotional Intelligence Total ..........90

Table 4.16 Variable in the equation............................................................91
Table 4.17 Variable entered on step 2 – Emotional Intelligence. 6. ..........................92

Table 4.18 Variables in the equation .................................................................92

Table 4.19 Variable entered on step 3 – Emotional intelligence. 8. .................93

Table 4.20 Variables in the equation .................................................................93
LIST OF FIGURES

Figure 4.1. Mean of Life satisfaction score (Level wise)..........................68

Figure 4.2. Mean of life satisfaction score (Gender wise)..........................69

Figure 4.3. Mean of life satisfaction score (age wise)...............................70

Figure 4.4. Mean of Emotional Intelligence (total) for different levels ...............73

Figure 4.5 Mean of emotional intelligence total (Gender wise) .......................77

Figure 4.6 Mean of Emotional Intelligence Total (age wise)..............................81

Figure 4.7 Predictors of Life Satisfaction....................................................89
