ACKNOWLEDGEMENT

I thank to almighty God whose blessings have enabled me to accomplish my research work successfully.

It has been great privilege to work under the supervision of Dr. (Mrs.) Rupinder Diwan, Professor, Department of Botany, Govt. Nagarjuna P. G. College, Raipur, (C. G.), India, who not only guided my experimental part but also made my work worth presenting. Her constant inspiration and guidance was available to me during the complete course of my Ph. D. work.

I express my overwhelming sense of gratitude to Dr. K. N. Bapat, Principal, Govt. Nagarjuna P. G. College, Raipur, (C. G.), Lt. Dr. Ashok Pandey, Ex-Principal, Dr. S. V. K. Prasad, Ex-Principal Govt. Nagarjuna P. G. College, Raipur, (C. G.) and India for granting me permission and encouragement all the time throughout my research work.

I acknowledge my sincere gratitude to Dr. Rekha Pimpalgaonkar, Professor and Head, Department of Botany, Govt. Nagarjuna P. G. College, Raipur, (C. G.), India for her continuous encouragement, support and facilities provided to accomplish this work.

I am greatly thankful to Dr. (Mrs.) Vipla Kohli, Professor, Dept. of Botany, Govt. Nagarjuna P. G. College, Raipur, (C. G.), India for her suggestions and help during my work from various perspectives.

I am very much thankful to Dr. Avinash Kumar Sharma, Dr. Vimal Kumar Kanungo, Dr. (Mrs.) Sangeeta Bajpai, Dr. N. B. Singh, Dr. (Mrs.) Sunita Patra for their constant help and suggestions during entire course of my Ph. D. work.

I express my deep sense to Dr. Girish Chandel, Head, Department of Biotechnology, Indira Gandhi Agriculture University, Raipur (C.G.), Dr. P. N. Chowdhary, Head, National Institute of Fungal Taxonomy, New Delhi for their guidance and support to perform some of my experimental work.

I am also thankful to Dr. S. K. Jadhav, Professor, SOS in Biotechnology, Dr. A. K. Pati, Professor SOS in Bioscience, Dr. Arti Parganhia, Lecturer, SOS in Bioscience, Dr. K. K.
Sahu, Assistant Prof. SOS in Biotechnology, Pt. Ravishankar Shukla University, Raipur, (C. G.) for their worthwhile suggestions and help.

I would like to convey my sincere thanks to Dr. I. A. Khan, Ex-Librarian, Pt. Sunder Lal Sharma Library and Dr. Supernia Sengupta, Pt. Ravishankar Shankar Shukla University, Raipur (C. G.) for providing library facilities.

I am also thankful to Priyanka Sharma, Department of Soil Science, Indira Gandhi Agriculture College, Raipur (C. G.) for some of experimental help.

I also take the opportunity to express my thanks to Mrs. Smita Sharma, Mrs. Shahila Khan, Harishankar Prasad, Seema Verma, Seema Sahu, Mamta Tandon and Mrs. Indu Soni for their continuous support and encouragement.

I record my gratitude to the office staff, lab staff of Department of Botany, Govt. Nagarjuna P. G. College for their support and help in need.

I would like to give special thanks to Mr. Raman Singh for arranging my thesis systematically.

Lastly, I wish to acknowledge my profound gratitude to my Mother-in-law Lekni Soni, my Parents Ram Kumar Soni and Mrs. Pushpa Soni, in-laws Shri Pravin Kumar Soni and Mrs. Anjali Soni for their blessings, love, support and encouragement, which has always inspired me for a positive approach in my bad times. I also wish to mention the names of my brother Ashish Soni, my sister Rupali Soni, my little angle Pranjali Soni and Prince Ragahav Aditya Soni for their love, support and patience in tough times.

I convey my endless thanks to my prince Akshat Soni for his patience, sacrifice, support and love all the time during my Ph. D. work.

I am extremely thankful to my helpmate Mr. Vipin Kumar Soni from the deepest sense of heart for always being with me, keeping me positive and awake towards my work.

Mrs. Rashmi Devi
