

the academic world of Aligarh that had attracted me ever since I did my graduation from Sukhadia University, Udaipur. This dream of mine became a reality when I joined this great institution-the Aligarh Muslim University, as a research scholar.

The love and affection showered on me by senior colleagues soon made me forget that I was a stranger to this new place.

I must thank Professor Waqar Hussain, Chairman Department of English for his valuable patronage.

The topic I undertook was quite challenging but I was fortunate enough to have *Prof. A.R. Kidwai* as my supervisor without whose help and guidance, I would not have been able to complete this task within the stipulated time. His able guidance and co-operation encouraged me to pursue my work vigorously with the result that I could complete it within the minimum possible time i.e., two years. He was always there to help me out of my difficulties and offer his valuable suggestions.

I am also grateful to the staff of department of English AMU., and Maulana Azad Library for extending all

possible help and co-operation in carrying out my research work smoothly.

I also thank the library of M.L. Sukhadia University, Udaipur, Aligarh Muslim University, Jawaharlal Nehru University and British Council, Delhi in providing me with the necessary material I needed.

Finally I must acknowledge the affectionate help I received from my parents-Prof. and Mrs. Saqib Rizvi who all along inspired and guided me and took upon themselves of removing all hurdles financial and others which came in my way.
