ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude to my revered mentor, Dr. B. Kundu, Assistant Director, Medicinal Chemistry Division, Central Drug Research Institute, Lucknow for his keen interest, inspiring and incessant guidance, erudite suggestions and constant encouragement during the course of this study.

I wish to convey my sincere thanks to Dr. A.P. Bhaduri, Head, Medicinal Chemistry Division, C.D.R.I., and Dr. Shyaml Singh, Head, Division of Biopolymers, CDRI for providing me the departmental facilities.

My heartfelt thanks are due to Dr. P.P. Gupta, Scientist, Division of Pharmacology and Dr. Aruna Kapil, Scientist, Division of Biochemistry, CDRI for bioevaluation of the newly synthesised analogues. I shall not forget to thank Ms Rashmi for carrying out various antiallergic tests.

I am thankful to Dr. K.C. Agarwal, Scientist, Chemical Technology Division, Dr. P.K. Shukla, Scientist Division of Medical Mycology and Dr. W. Haq, Scientist, Division of Biopolymer for helping me at times of need.

It gives me immense pleasure to acknowledge the help and cooperation rendered by Dr. Sushma Shukla, Dr. Manisha Shukla, Ms. Geeta Singh.

I shall never forget the cheerful moment spent with Girish, Ramesh, Tushar, Jaya, Chitra and other members of the Division during my stay here.

I find myself lacking in words for expressing my sense of gratitude to my parents, brother and sisters for their unflagging support, encouragement and solace which made this dissertation possible.
Lastly, I would like to thank the staff of RSIC for providing me the spectroscopic and micro analytical data. Financial assistance provided by ICMR is gratefully acknowledged.

(SANJAY K. KHARE)
