ACKNOWLEDGEMENTS

I owe a debt of gratitude to my Supervisor Dr. J. C. Binwal, Professor, Department of Library and Information Science, North-Eastern Hill University, Shillong for his patient supervision and help in formulating the problem and the design of the research, critical outlook and valuable suggestions throughout the course of the research programme. Working under his guidance has been a rewarding experience.

I express my deep sense of gratitude to Dr. Veena Saraf, Reader and Head, Department of Library and Information Science, NEHU, Shillong and Dr. S. M. Mannan, Associate Professor, Department of Library and Information Science, University of Dhaka, Dhaka for their constant encouragement and effective help. Without their cooperation and ungrudging help, it would have for too long to complete the work.

I am grateful to Dr. A. S. Chandel, University Librarian, Dr. Y. S. Parmar University of Horticulture and Forestry, Solan and Dr. Krishan Kumar, Professor, University of Delhi, Delhi for their valuable suggestions and comments.

I am thankful to Dr. L. Pathak, University Librarian, North-Eastern Hill University, Shillong, Dr. Fazlul Alam, Librarian (Planning and Development), University of Dhaka, Dhaka, and Mr. P. K. Mitra, Assistant Librarian, Central Library, North-Eastern Hill University, Shillong for their help.

I am also grateful to the faculty members and research scholars in the Department of Library and Information Science, NEHU for their encouragement, comments, criticisms and support throughout the most difficult phases of writing the report. I also acknowledge all the authors and institutions whose publications help me to write this thesis. The help rendered by my friend, Abdullah-Al-Mamun, in statistical analysis of the data is gratefully acknowledged.

My friends, Mizan, Salim, Binayok, Temjen, Roel, Tali, Aunshuman, Upal, Arnab, Javed, Nasir, and Prasenjit, came forward to help me whenever they felt I was in need of it. I am grateful to each one of them.

My grateful thanks are also due to Md. Minhaj Uddin Ahmed, Senior Programme Officer, CDL, Dhaka, and Syed Rabiul Bashar, Senior Librarian, BANSLINK, BANSDOC, Dhaka for
their encouragement and help.

I express my sincere thanks to the all Information Professionals and the Scientists and Technologists who extended their fullest cooperation in this study. I also acknowledge the cooperation received from all the friends and well-wishers for their advice and help.

I am indebted to my beloved parents, brothers, sisters and the relatives for inspiration and support.

During the long and tedious journey to the conclusion of the present study, I have received constant encouragement and effective help from my uncle Mr. K. M. Abdul Awwal, Deputy Director, University Grant Commission, Dhaka. He not only accepted the burden ungrudgingly, but also proved to be an excellent friend.

I remember my beloved late father-in-law who always inspired me in this endeavour and silently wished me all success.

Finally, I am deeply indebted to my wife Ms. Laila Noor Rahman and my beloved sons Nabil and Nayeem for their sacrifices and sufferings caused by my constant and lengthy absence during the study period.
