ACKNOWLEDGMENT

I am deeply grateful to my supervisor Prof. S. K. Baruah, former HOD & Professor (Retd.), Department of Chemistry, Dibrugarh University, Dibrugarh for his generous guidance, invaluable suggestions and constant encouragement at each and every moment during the entire period of my research work.

I am grateful to Prof. P. Das, Head of Chemistry Department, Dibrugarh University, Dibrugarh for providing the necessary facilities for the research work. It would be incomplete if I do not record my sincere thanks to the former HOD’s of Chemistry Department, Dibrugarh University Prof. J.G. Handique, Prof. G. Borah, and my teachers Prof. A. Dutta, Prof. P.K. Gogoi, for their valuable suggestions, encouragement and inspiration while carrying out this work.

My sincere gratitude to the principal, D.H.S.K. College, Dibrugarh for allowing me to undertake the research work. I am also thankful to my colleagues Dr. A. Phukan (Retd.), Dr. S. Sharma, Dr. D.P. Phukan and Bidyot Bikash Gogoi, Department of Chemistry, D.H.S.K. College, Dibrugarh for their gracious encouragement.

I extend my thanks to all the faculty members of Department of Chemistry, Dibrugarh University, Dibrugarh and the office staff for their help during this course of work.

I am indebted to Dr. J.R. Chetia, Department of Chemistry, Dibrugarh University, Dibrugarh for recording the FT-IR spectra and thermal analysis; and for introducing me to the Impedance analyser and Cyclic Voltameter.

I am also thankful to SAIC, Tezpur University, NEIST, Jorhat and SAIF, NEHU, Shillong for recording NMR spectra and Powder XRD.

Acknowledgement is due to Dr. D. Saikia, Associate Professor, Sibsagar College, Sivasagar, and Dr. B. Chetia, Asst. Professor, Department of Chemistry, Dibrugarh University, Dibrugarh for providing the facility to record diffuse reflectance spectra; my friend Dr. S. Konwar, Asst. Professor, Gargaon College (Presently at
Department of Chemistry, Dibrugarh University, Dibrugarh) for providing the Keithley Source Meter for DC conductivity measurement.

I am also grateful to my student Sudarsan Gogoi, research scholar, Department of Chemical sciences, Tezpur University, Assam who came forward to help me as and when required during the span of this research work.

Acknowledgement is due to UGC-NERO for the grant of FDP fellowship and the Department of Education, Govt. of Assam, for the kind permission to carry out research work.

Acknowledgement is also due to UGC-SAP for the financial assistance to the Department of Chemistry, Dibrugarh University, Dibrugarh which is benefitting us.

I am thankful to Dr. U. Das, Deputy Librarian, LNB Library, Dibrugarh University, for helping me in checking Plagiarism of the entire thesis before printing.

I would be failing in my duty if I don't thank my co-woker, Mrs. Pallavi Gogoi, Chemistry Department, Tinsukia College, Tinsukia for her best co-operation and sincere supports whenever needed. I am thankful to all research scholar friends of the Department of Chemistry, Dibrugarh University. They all came forward to help me as and when required during the span of this research work.

I express my gratitude to my mother and other family members, friends and wellwishers whose blessings always lightened me in darkness. I do not know how to express my gratitude to my wife Mrs. Shikhamanjuri Gogoi. I feel a great affection towards my son, ‘Anuronan’ his innocent smile always absorbs tiredness of the work. It would not have been possible to accomplish this work satisfactorily without their encouragement and co-operation during the work.
