ACKNOWLEDGEMENTS

During the course of my work, I incurred huge debt to so many people that it is difficult to have a complete account.

The depth of gratitude, I feel for my research supervisor Dr. Ashok Mittal, Professor, Department of Economics, faculty of Social Sciences, Aligarh Muslim University, Aligarh, is beyond words. Because of his inspiring guidance and unfailing succor about how to project and organize the entire research work in a scientific and systematic manner. He always showed me right path at the right time and enlightened my soul to work even harder whenever I felt down or depressed. I shall remain highly obliged to him for lifetime.

It is a privilege to express deep sense of gratitude to Dr. Izhar Alam, Assistant Professor, Kings Saud University, Saudi Arabia, (who is my senior and former research fellow under my supervisor only) for his planning, support, helpfulness, and dedication to make me complete my work despite of his tight time schedule. I have been very fortunate for getting the opportunity to learn from him.

I am thankful to Prof. Nisar Ahmad Khan, Chairman, Department of Economics, Aligarh Muslim University, for his cooperation.

I am thankful to administrative staff of Maulana Azad Library and Department of Economics, A.M.U., specially Mr. Buniyad Ali Khan (Librarian) and Mr. Aqeel Ahmad (Section In-charge), for their cooperation and support as and when required.

I would also like to acknowledge my friend, Preeti Varshney, for feeding me with her words of motivation constantly during my research work.

The person who is the principle motivation force behind this work is my father Mr. Desh Bandhu Sharma, who must be the happiest person to see the completion of this work and share the joy. He always remained conscious for my career more than me. His blessings will continue to guide me in my career endeavour. This work would not have been completed without the emotional support and blessings of my mother Mrs. Uma Sharma and my brother Ayush Sharma. Words are small when I want to thank my in-laws Mr. Vijendra Sharma and Mrs. Vimla Sharma and my soul-mate
Mr. Ashish Sharma. They supported me in every manner they could so that I could complete my work peacefully and with full concentration.

My stay at Kamla Nehru Hostel, Tikaram Girls Degree College, Aligarh was made memorable by warden Dr. Pratima Srivastava and Mrs. Sarita Sharma and my dear hostel-mates Nisha, Monika, Pooja, Ojaswi and Samreen. I express a word of sincere thanks to them for their valuable support during the entire work.
