

ACKNOWLEDGEMENT

This thesis is the outcome of the contribution, help and support from a number of individuals, without which it would not have seen the light of the day. Therefore it is my obligation to appreciate and show my sincere gratitude for the help and support they have bestowed upon me.

It is a great pleasure for me to acknowledge my sincere gratitude to my research guide, Dr. Y.M. Mithare for the guidance and support he has offered to me in the process of my research. I will consider myself to be lucky to have got the opportunity to undertake my research work under his guidance.

This research would not have been possible without the contribution and support of Dr. Sanjay Kaptan, Professor and Head, Department of Commerce, Savitribai Phule Pune University. He has been a continuous source of inspiration; motivation and guidance.

I would like to thank my Principal, Dr. Gulshan Gidwani for all the support in my research endeavor.

I would like to thank my father for showing the patience in order to allow me to complete my research work. I feel extremely indebted to my husband and my daughter for all the moral support provided during my research journey.

Last but not the least; I would like to thank my colleagues and friends for helping, guiding and supporting me in one way or other in my research endeavor.
