Acknowledgement

First and foremost, I express my indebtedness to the ‘ALMIGHTY ALLAH’ for all His blessing and kindness, who gave me the strength and health for completing the research work of my thesis.

As I cross the academic threshold of life, I would like to acknowledge those peoples who anchored and directed my boat during the typhoons and helped me to reach my destination. At the very outset, I would like to record my heartfelt gratitude to my respected teacher and thesis supervisor Dr. Nasheed Intiaz (Assistant Professor, Department of Psychology, Aligarh Muslim University, Aligarh) for her invaluable guidance, cordial advice and constant encouragement throughout this research, helped me to find my way in the most challenging situations. Her light-hearted words, voice, and suggestions lifted all burdens and made my work easier. I feel very fortunate to have this opportunity to work with her, and I shall always remain obliged to her greatness in devoting a large share of her valuable time and knowledge to this research work.

I am obliged to Prof. Roomana Siddiqui (Professor and Chairperson, Department of Psychology, Aligarh Muslim University, Aligarh) for providing me all the necessary facilities, help and encouragement for carrying out this piece research work in a more effective way.

I would pay humble gratitude to Prof. Akbar Husain (Dean, Faculty of Social Sciences) and working team of dean office for extending their cordial support and help. They answered all my queries throughout the tenure of my work.

I also express my sincere thanks to Prof. Shamim Ahmad Ansari and Prof. Mahmood S. Khan for their valuable advice and kind cooperation. My sincere thanks are also due to Dr. (Hafiz) M. Ilyas Khan, Dr. (Mrs.) Asiya Aijaz, Dr. Kr. Sajid Ali Khan, Dr. Shah Mohd. Khan and Dr. Shah Alam of the Department of Psychology, Aligarh Muslim University, Aligarh for their kind support and encouragement. Equally, I express my sincere gratitude to Dr. (Mrs) Salma Kaneez (Associate Professor, Department of Psychology, Aligarh Muslim University, Aligarh) for her valuable advice and kind cooperation during the time of my statistical analysis.
I am also thankful to Mr. Mohd. Ghaus, Mr. Tajuddin, Mr. Shariq Ahmad, Mr. Majaz-ul-Haque, Mr. Aqeel Ahmad, Mr. Kafil A. Khan and Mr. Shabbir (non-teaching staff Department of Psychology, Aligarh Muslim University, Aligarh) for their help and support.

I am deeply indebted for the assistance and cooperation of the Librarian and Staff of Maulana Azad Library, Aligarh Muslim University, Aligarh, for their cooperation and willingness to providing me with all necessary facilities of Books, Abstracts, Journals, and other relevant research materials during the time of my research work. Behind visible success, there are numerous invisible efforts. It is also my duty to record my thankfulness to the Principals of Senior Secondary School (Boys & Girls) and Chairmen of the Departments of different Faculties of Aligarh Muslim University, Aligarh (i.e. Faculty of Arts, Faculty of Science, Faculty of Social Sciences, Faculty of Medicine and Faculty of Engineering & Technology) for support, help and giving me permission for data collection from the students of their Institutions. I am also grateful to all the respondents who graciously took the time out of their busy schedule to enthusiastically and kindly participate in the completion of questionnaires for data collection. Without their help, I could not have accomplished my research work.

A special thanks to my research colleagues and friends Ali Al Khatatneh, Sohelah Shamaelah, Ola Ali Khatatnah, Hena Fatma, Dr. Anas Al Dalaeen, Dr. Sattam Al Dalaeen, Sana Khan, Shama Rahman, and Sumbul Rafi for discussing various issues and sharing their experiences with me. I am indebted to them for their friendship and for providing the stimulating and fun filled environment.

Munno Khan, Samyya, and Farida Husaini deserves special mention here for constant support during data analyses and editing.

I owe and respectfully offer my highest appreciation and very special thanks to my noble parents (Mr. Duheilan & Mrs. Hamideh), brothers (Mutasam, Mutaz, Mohammad Rasol, Safe and Hazem) and sisters (Samah, Asma, Shayma, and Sukenah) for their constant moral support and mellifluous affection, which helped me to achieve success in every sphere of life and without their kind devotion this thesis, would have been a sheer dream.

I also desire to express my sincere thanks to all those who directly or indirectly helped me at various stages of this study.

Issam Duheilan Abed Alnabi Aldala’een
