ACKNOWLEDGEMENT

I would like to extend my gratitude to all those who have helped me to bring this research project to fruition. First, I would like to thank Dr. (Mrs.) Indrani Mukherji for providing me with the opportunity of taking part in the D. Phil. programme. I am so deeply grateful for her help, suggestions and valuable guidance throughout this project that I do not have sufficient words to express my sincere appreciation for the same.

I would also like to thank Prof. R. K. Singh, Head of the Department of English and MEL, Prof. L. R. Sharma, Prof. S. K. Sharma, Prof. S. D. Roy, Prof. S.C. Dubey, Prof Deepika Srivastava and Dr. Sarvajeet Mukherjee for their valuable suggestions. Without their positive support and contribution this thesis could not have been successfully completed.

Finally, I must express my profound gratitude to my teacher Mr. Pramod Singh who inspired me and initiated me to the study of English Literature, my parents and my wife for their unfailing support and continuous encouragement throughout the period of my research and during the writing of the thesis. This accomplishment would not have been possible without them.
