ACKNOWLEDGEMENT

First and foremost, praise and thanks goes to Lord Almighty, because, it was his blessings, which enabled me to over come the hurdles and accomplish this arduous task. God bestowed me with loving and caring parents whose relentless encouragement, pure love, unmatched affection made this work to reach its fruitful destination.

It is extremely difficult to phrase my sincere thanks to Dr. S.V. Singh, D.Phil., Department of Zoology, University of Allahabad, Allahabad, for his inspiring and noble guidance, enthusiastic interest, cordial discussion, unending zeal and constant encouragement during the entire course of study. I will always remain deeply indebted to him for his parental care, affection and generosity bestowed on me during my research period, which helped me to reach this strenuous destiny cheerfully. His tireless zeal to teach and impact knowledge cannot be expressed in words.

I am extremely grateful to Prof. V. Krishna, Dean, Faculty of Science & Head, Department of Zoology, for his ready co-operation in clearing official procedures that had to be gone through time to time during my research work and providing necessary facilities throughout the study period.

It is my pleasant duty to record my deep sense of gratitude to my esteemed teachers, Prof. S.K. Malhotra, Prof. U.C. Srivastava, Prof. K. Kumar, Prof. R.R. Tiwari, Prof. R.S. Pandey, Prof. Anita Gopesh, Dr. B. Mohanty and Dr. K.P. Singh for their constant co-operation and encouragement during research work.
I wish to express my sincere gratitude to Prof. Anoop Chaturvedi, Head, Department of Statistics, University of Allahabad Prof. M.S. Mishra, Head, Department of Plant Protection, SHIATS, Allahabad who has inspired and given courage regarding, and valuable suggestions in compiling and analyzing the experimental data.

I also wish to express my gratitude to Dr. Gajraj Singh, Department of Zoology, University of Allahabad, for his keen interest at each and every step of the research work.

I bow with veneration and gratitude to my parents Smt. Vimala. Mishra and President Awardee Dr. Umapati Mishra, Ex-Principal, Govt. Inter College, Lakhimpur Kheri, for their affection, sacrifice, invaluable guidance, constructive criticisms and encouragement and constant inspiration throughout my educational career.

I am also grateful to my Uncle’s, Sri Rajpati Mishra, Dr. Sabhapati Mishra (Ex-Principal Handia P.G. College) Sri V.K. Mishra, Dr. Sripati Mishra (S.P. City Baharaich) Dr. Vedpati Mishra (M.D. Agro U.P) and all family members without their co-operation it was totally impossible to complete this research work.

I express my heartfelt thanks to my brother’s, Sanjay Mishra (P.C.S), Dr. Vinod Kumar Mishra, Pramod Kumar Mishra, Dr. Adarsh Mishra, Dr. Deepak, Jayesh, Manish, Kartik, Manas, Anshuman Mishra and Neeraj Pandey for his valuable comments, suggestions and guidance during the course of present investigations. I am also thankful to my sisters, Dr. Mamta, Sushma Mishra, Dr. Abha, Pooja Tiwari and Saumya Mishra.
I feel to express my gratitude to seniors, colleagues and friends, Dr. S.K.Upadhayay, Dr. Durgeh Singh, Suresh Chandra Mishra, Ganesh Prasad Shukla, and Aniruddh Prasad Pandey for their kind co-operation in many ways.

I thanks also given very special thanks to, Ravinath Pandey, Chhavinath Pandey, Vipin Pandey, Sushrut Pandey, Shubham, Shivam, Saurabh and Garima for their help during the course of my study.

I would like to express my thanks to Mujeeb Khan for statistical analysis and giving such a fine touch to my thesis work.

My sincere thanks to UGC (UGC- D.Phil fellowship and BSR fellowship), who has provide me precious support in term of financial assistance during my course of study.
