Acknowledgements

In the first place I am extremely thankful and deeply indebted to my revered research supervisor, Dr. Abhay K. Pandey, Associate Professor from whom I have learned the value of hard work, vision and tenacity to overcome the hard moments in life. It has been great privilege for me to receive his encouragement and keen interest throughout the course of this study which has made my research tenure a rewarding and memorable experience. Actually no word of appreciation is sufficient to describe his logic and aptitude with which he brought my research work from a scratch to a Doctoral thesis. His genuine interest and constructive scientific discussions on the research problems have been the formative influence on the investigations. I will be lifelong grateful for his scientific and moral contribution in my life.

I extend my heartfelt thanks to Prof. S.I. Rizvi, Head, Department of Biochemistry, Prof. B. Sharma, Prof. P. C. Mittal, Prof. D. K. Gupta, Dr. Jalaj Gour, Dr. Munish Kumar and Dr. Ujla Minhas for their mature and scholarly guidance in making this study fruitful.

I owe my sincere thanks to Dr. A. K. Saxena, Scientist F, Head Pharmacology Division, Indian Institute of Integrative Medicine, Jammu for helping me to carryout cytotoxic studies. I am also grateful to Dr. Shayam Sunder Gupta, IMS, BHU for providing lab facilities to carry out antiparasitic studies.

I am extremely thankful to Prof. R. S. Pandey for his constant inspiration, scientific interest, great insight and guidance throughout my research.

I am highly obliged to my seniors Dr. Amita Mishra, Dr. Shashank Kumar for their suggestions and generous help. Dr. Shashank Kumar and Umakant Sharma deserves special mention for their continuous interactions, help and support throughout my study period and thesis writing.

I feel short of words to express my indebtedness to my friends in AU, Mr. Umesh Mehra and Mr. Surya Pratap Singh for their countless helps and who were always there whenever I needed their help.

I am extremely thankful to my friends in BHU, Karmesh Jha, Darpana, Dinesh K. Prajapati, Pawan kumar, Deepak Kafle, Pooja Tiwari and Mallikarjun for their constant support and fruitful suggestions. They always encouraged me to work hard and helped me whenever and wherever required. I am also very fortunate to have company of good friends viz., Amit Kumar Singh, Avinash, Prakash, Prahlad, Vishnu, Vikash, Vikram, Mayank, Raghvendra, Surya prakash
Pandey, Rakesh and Manoj for her good wishes and emotional push to make me to overcome all sorts of hurdles.

I heartily extend thanks to my senior and friend specially Dr. Ratnesh Sharma and Mr. Prabhakar for their constant support. I also to thank my lab mates Mr. Ramesh and Mr. Ashutosh for their cooperation. I am thankful to Mr. Deelip Kumar, Mr. Sandeep Singh, Ms. Ashtha and Ms. Sarmishtha Singh for their help, cooperation and for their friendly support throughout my tenure.

I also extend my heartfelt thanks to all the office/staff members of the Department of Biochemistry Mr. S. Jamal, Mr. O.P. Gupta, Mr. B. B. Thapa, Mr. Vijay Pal, Mr Dileep Mishra, Mr. Ram Achal and Mr. Guddu Gaur for their kind help.

I feel short of words to express my indebtedness to Mrs Prabha Pandey for her continuous encouragement towards successful accomplishment of my research work.

Above all my heart is filled with gratitude and indebtedness towards my family for their unbounded blessings and for their immeasurable encouragement, emotional, financial and moral support in every step I took. By no means I can express my affection and respect for my parents but I can say that this is their blessings only that I am able to hold this position. I wish to thank my elder sister Mrs. Arti Parashar and Brother in law Mr. Subodh Parashar for their love and care. I would like to express my deepest love and affection to my brother Dr. Ashish K Sharma who has always shown positivity and eagerness towards the goal. I would also like to thank Mrs. Poonam Sharma, my Bhabhi whose continuous encouragement and support helped me immensely towards successful accomplishment of my research work, I can’t forget to mention the love and innocence of my sweet nephews Gauri, Radhika, Aradhaya and Nitya that helped me to trounce all the worries while the stress times. I would also like to express my love and affection to younger cousin Lucky, Manu, Prabhakar, Sameer and Mithilesh for their support, well wishes and encouragement.

I am thankful to the University Grant Commission (UGC), New Delhi for awarding me D. Phil. scholarship during the tenure of my research work.

Last but not the least, I am thankful to all people who have helped and inspired me during my doctoral study and wishing for my bright future.
