ACKNOWLEDGEMENTS

I am deeply indebted to Dr. SAMEER SINHA, Associate Professor & Head, Department of Physics, Ganpat Sahai Post Graduate College, Sultanpur, U.P., under whose animating and unfailing guidance, I had the privilege to work. He has been kind enough to me by encouraging and providing facilities through the entire manuscript critically suggesting a number of most valuable improvements.

I am also thankful to my respected teachers Dr. A. K. SRIVASTAVA, Reader & Head, Department of Physics, Kaml Nehru Institute of Physical & Social Science, Sultanpur and Dr. RAJEEV SRIVASTAVA, Reader, Deptt. of Physics Ganpat Sahai Post Graduate College Sultanpur U.P. for valuable discussion and suggestions.

I express my deep sense of gratitude to Dr. P. B. Singh, Principal, Ganpat Sahai P.G.College, Sultanpur for providing me the necessary facilities for carrying out the research work in the college and in the department.

I am greatly indebted to my Grand-father Sri Jagdish Prasad Singh and my Uncles-Aunties and my all other family members, who helped me directly or indirectly in pursuing my research work with a carefree mind.
I express my deep sense of warmest gratitude and my grateful feeling to my respected father Late Sri Bhanu Pratap Singh and my respected mother Smt. Kusum Singh, without whose blessing my dream of the present endeavour would never have been fructified. I express my everlasting indebtedness and gratitude to my brother Sri Pawan Vikram Singh, for his patience and inspiration during this investigation.

I can’t forget the love and affection received from my wife Mrs. Reema Singh and my sweet daughter Shreeya Singh, without which the present study would have become a tiresome uphill task.
