ACKNOWLEDGEMENT

First and foremost, I praise and thank ALMIGHTY GOD whose blessings have bestowed in me the will power and confidence to carry out my project.

I am grateful to our beloved founders (Late). Dr. D.G.S. Dhinakaran, and Dr. Paul Dhinakaran, for their love and always remembering us in their prayers.

I extend my sincere thanks to our Vice Chancellor Dr. P. Mannar Jawahar, our Pro-Vice Chancellor Dr. Ridling Margaret Waller, our Registrar Dr. R. Elijah Blessing, and our Dean-Engineering and Technology Dr. Prince Arul Raj for giving me this opportunity to do this research.

I feel it a pleasure to be indebted to my guide Dr. G. Hemalatha, Associate Professor of the Department of Civil Engineering for her encouragement and guidance. The task of submitting this thesis would not have been successful without her timely help. I am grateful to her for enriching my knowledge base and imparting me with new ideas through the course offered and through research related discussions. I thank her for guiding me in the proper way to do the research and providing me with strong support. She fostered me research skills and presentation abilities. Without her help, I would never have achieved my academic goal.

I would like to thank Dr. P.D. Arumairaj, Professor and Head of the Department of Civil Engineering for his earnest support and valuable suggestions for completing my research work.
I am very grateful to Dr. Hepzibah A, Controller of Examinations and Dr. M. Lydia, Co-ordinator- Academic Research for the suggestions and help during the period of my research work.

My grateful thanks to Dr. M.G. Rajendran, Adjunct Professor, Department of Civil Engineering and Dr. R. Sajeeb, Professor, Department of Civil Engineering, T.K.M. College of Engineering for their valuable suggestions as doctoral members.

I also thank all the staff members of our department for extending their helping hands to make this research a success.

I would like to thank my Organization Bharat petroleum Corporation Limited- Kochi Refinery for giving me permission for carrying out my research work. I would like to thank my Superiors and colleagues for suggestions and help during the period of my research.

Words cannot express my gratitude to my family members and relatives. My wife, daughters, sisters, brothers who were very supportive throughout the entire period of my research. My wife Bijy George and daughters Serin and Merin missed my presence a lot. I thank them all for their sacrifices towards completing my research.
