ACKNOWLEDGEMENT

Words are often too weak to express one’s inner feeling of indebtedness to one’s benefactors. The difficulty haunts me in penning down the deep sense of gratitude.

I owe a debt of deepest gratitude to my research supervisor, Prof. (Dr.) Sanjay Chaudhary, Dean (Faculty of Engineering), Madhav University, Pindwara (Sirohi), Rajasthan for his guidance, support, motivation and encouragement throughout the period this work was carried out. His readiness for consultation at all times, his educative comments, his concern and assistance even with practical things have been invaluable.

I would like to thank Prof. R K Rana, Chair Person of Madhav University, Prof. J L Vij, Vice-Chancellor, Prof. (Dr.) Pawan Kumar, Dean (Research), Dr. Prakash Singh Tanwar, HOD, Dept. of CSE for their invaluable support and co-operation.

I owe a lot to all the professors and faculty of the Department of Computer Science & Engineering and Department of Computer Applications for helping me in the process of selection of the topic and providing helpful suggestions.

I thank Non-Teaching Staff of Department of Computer Science & Engineering, Madhav University for extending their kind co-operation. I also thank my fellow research scholars for their encouragement.

A special thanks to my wife, Smt. Kousalya for her unconditional and unflinching cooperation. My Son Akshay deserves special thanks from me as he is the one who has to endure my absence the most. I am at a loss of words to acknowledge my profound thanks to my parents Sri Punna Rao Anna and Smt. Suvarna Kumari Anna who have been a constant source of inspiration throughout the course of this work. I am thankful to my brother, Mr Pavan Kumar Anna for cheering me up throughout.
I would like to thank my friends Dr. Nazeer Shaik and Mr. K Phani Kumar who inspired & guided me all the way of my life and supported me in completing my thesis work.

An assemblage of this nature could never have been attempted without reference to and inspiration from the works of others whose details are mentioned in reference section.

Finally, I would like to thank everybody who was important to the successful realization of this thesis, as well as express my sincere apology that I could not mention individually every one.

N K P ANJANEYULU ANNA
