ACKNOWLEDGEMENTS

I take this opportunity to acknowledge here the contributions and help rendered by many scholars in the completion of this research work. At the outset, I am highly grateful and indebted to Smt.N.K.Gayathri, Associate Professor of Economics, University of Mysore, Mysore, through her able guidance, comments and suggestions has helped me in the completion of this research study. She has been a source of constant encouragement and help right from the selection of the research topic till its completion.

I will be failing in my duty, if I do not mention the name of Prof.S.Indumati, Chairperson, DOS in Economics and Cooperation, University of Mysore, Prof.B.K.Tulasimala, Dr.D.S.Leelavathi and all the Professors in the Department of Economics and Cooperation, University of Mysore, Mysore it was their constant encouragement that made me to venture into its work.

I acknowledge the help of the staff of the Statistical Office and officials of ZP, Mandya District. They helped me in collecting data and necessary information for thesis work. I am also thankful to the staff of Library, University of Mysore for providing useful information. It is my duty to thank for their constant support and encouragement in completing the research.

I don’t find words to express my gratitude to my parents and my family members specially my father Sri.Krishnegowda and Smt.Jayamma without their support and healthy encouragement it would have been difficult to complete the thesis work. I am very obedient and loyal in throughout my life to my teachers for their invaluable comments and supervision in the completion of this research work.

I extend my heartfelt thanks to my friends for their encouragement to conduct the research for Ph.D degree.
