Acknowledgements

It is an immense ecstasy for me to present this thesis and I take this opportunity to thank all the people who have enabled me to complete the work.

First and foremost I am grateful to my supervisor Prof. B. Rudraswamy for giving me the opportunity to work towards my PhD under his guidance. His constant encouragement and constructive criticism throughout my work duration has greatly helped me in shaping my scientific thoughts. I am thankful to him for his close co-operation, for valuable discussions and for critical reading of the manuscripts. I take this opportunity to thank him for taking me to various institutions and introducing the eminent scientists in order to complete my work. I am greatly indebted to him not only for his valuable guidance but also for his personal care towards me. He has given me wide exposure to the scientific community, which greatly helped me for not only to complete my work but also to understand the subject in depth through the useful discussions.

I would like to express my sincerer thanks to Prof. N. Nagaiah, Chairman, Department of Physics, BUB, for extending the necessary facilities and for his constant help in academic and research work. I thank to all the staff members of the Department namely late Prof. R. V. Anavekar, Prof. S. Ananthamurthy, Prof. Ramkrishna Damle, Prof. K. Rukmani, Prof. M. K. Kokila, Prof. V. H. Doddamani, Dr. A. R. Usha Devi, Dr. B. N. Mccra, Dr. B. Eraiah, Dr. C. G. Renuka, Dr. Sarbari Bhattacharya, Dr.Basavaraj Angadi and Dr. Kamsali Nagaraja for their help and guidance during my entire stay in the Department. I thank all the non-teaching staff of the Department for their help. I am thankful to the office staff, in particular to the finance and development section, for the timely release of my fellowship and contingency amount.

I am thankful to UGC Newdelhi for the award of JRF and SRF felowship.

It gives me a great pleasure to thank Dr. Balaram Sahoo, Assistant Professor, MRC, IISc, Bengaluru for extending his lab facilities throughout my research work. I express my sincere gratitude to Dr. Balaram Sahoo for introducing me to the exotic field of Mossbauer Spectroscopy and extending his lab facilities. I have been benefited a lot from the students of Dr.Balaram Sahoo’s group. The help from Anupama A.V., Rajeev Kumar and Harish k Choudry is greatly acknowledged and also for their emotional support, encouragement and educating me characterization techniques like XRD, SEM, VSM, Mossbaure characterization and my comfortable stay in the IISc campus.

It gives me a great pleasure to thank Dr.Praveena K, Post doctoral fellow, Department of Physics, National Taiwan Normal University, Taiwan her help in the discussion throughout my research wrprk.

I am expressing my sincerest thanks to (Dr.) Shidaling Matteppanaver, Post doctoral fellow, Tata Instute of Fundamental Research (TIFR) for his constant support throughout my research work.
I profusely thank all our collaborators, namely Prof. H.M. Somashekarakappa CARRT Mangalore University, Mangalore for the help of gamma irradiation facility, Dr. Alok Banargee for providing Magnetization measurement and Dr. Raghvendra Reddy for the help of Massbaure measurements facility at UGC DAE CSR Indore Center. I also thanks to Prof. Sundaesan for providing SQUID measurements facility and also thanks to Prof. S.M. Shivaprasad for giving TEM facility at JNCASR Bangalore. I express a great deal of gratitude to Dr. E. Melagiriappa S.J.M. college Chitradurga, for his help in the discussion in my throughout my research.

A massive thanks to all my friends and also research scholars of department who have made the last 4 years so enjoyable, namely, Manjunatha S.O, Tejashwini Ajjol, Nagaraj B.S, Srinatha N, Chandan, Anupama M K, Prabhu Tej, Keshavamurthy K, Srinivas murthy, Shivraj, Smt. Chudamani, Charan Kumar, Vinayak Patkar, and I also remember the enjoyable moments I spent with them. I also thank my old-time best friends in my native, Sathish A, Srikant J.N, Ajay M.P, Nagaraj.D.M, Shivaprakash N.M, Veeresh S.R, Babu Reddy, Mallikarjuna.H for their constant emotional support and encouragement. I also express my scincer thanks to Prof. Sadanada Halageri, Prof. Rju B Katti, Prof. Nagireddy, Sachin B.M, Mutappa Sajjan, K.L.E.’S S. Nijalingappa College, Bangalore-10

This is the right time to salute my parents Sri. Veerabhadrappa A and Smt. Shahikala for their great sacrifice and dedication put together to bring me to this stage. Without their spontaneous and emotional support, it would have been rather difficult for me to be what I am today. Since my childhood, the concern and the constant guidance of my brothers and sisters is always helped me to take steps forward. I appreciate the encouragements of my family members, Veerendra A, Nagaraja A, Sampath A. Also I express my sincer thanks to my sisters and sister in laws, Gouramma veeranna, Vinoda shivkumar, Latha prabhu, Veeranna, Shivkumar and Prabhu which gave me the moral boost to do things better.

(Jagadeesha Angadi V)
