ACKNOWLEDGEMENT

Completion of this doctoral thesis was not possible without the support of several broad-hearted people. I would like to express my sincere gratitude to all of them.

First of all, I would like to express my deep and sincere gratitude and regards to Dr. Sanjib Mridha, Professor of the Department of Physical Education of the University of Kalyani, for his valuable guidance and consistent encouragement, which I received not only in the research work but in personal life too. His dynamism, vision, sincerity, motivation and heartily conversation with smile have deeply inspired me. I consider it is a great opportunity to do my Ph.D. program under his mentorship and learn a lot from his research expertise. I thank you Sir, for your help and support, when I was in deep trouble in my life. I would also like to thank his wife and family members for encouraging me to see the positive side life in spite of all oddities.

I offer my sincere gratitude and thanks to Dr. Madhab Chandra Ghosh, Head of the Department of Physical Education, University of Kalyani for his kind cooperation.

It is not just a curtsey, but recalling form my student life at University of Kalyani from 2001 to till now, I am extending my heartfelt regards and thanks to Professor Kanchan Banerjee, Professor Krishna Banerjee (Biswas) and other teachers and all the staff members of the Department of Physical Education of the University of Kalyani, Kalyani, Nadia.

I express my sincere thanks to Shri Moslem Uddin Mollah, the Head of Physical Education Department of Chapra Bangaljhi Mahavidyalaya, Shri Asit Tarafder, the Head of Physical Education Department of Sudhir Ranjan Lahiri Mahavidyalaya, and Shri Pallab Pundy, the Head of Physical Education Department of Kalyani Mahavidyalaya for their kind co-operation in conducting the tests on the selected subjects.
It would be unjust if I do not offer my heartiest appreciation to Shri Nirmal Tarfder for his affection, encouragement and assistance during the course of conducting this study.

I am indebted to Shri Pallab Kumar Mondal and Sri Prasenjit Barman, Research Scholars of the Department of Physical Education of the University of Kalyani for their support in statistical analysis. I wish to add another name Dr. Monder Kanti Mondal for his charming companionship during the study.

I express my gratitude to Sri Sankar Chakraborty, for typing the research report in thesis form.

I am personally indebted to those Ph.D. and M.P.Ed. students, who assisted in data collection.

I express my acknowledgement to the entire pupil of three colleges who served as subjects of this study with their hearty cooperation.

I would like to acknowledge my friends and my colleagues who supported me during the course of this study.

I am extremely grateful to Shri Purushottam Mandal, my Father and Shrimati Dipti Sarkar, my Mother for their love, affection and sacrifices for rear an ordinary child like me to brought me up to pursuing the highest level of study. I want to express my love and deep sense of regards to Sri Prabodh Kr. Biswas, my Father-in-Law and Shrimati Jyotshna Biswas, my Mother-in-Law for their huge support during this period.

Last but not the least, I am very much thankful to my beloved wife, Shrimati Iti Biswas for her love, understanding, devotion and continuous support to complete this research work. Finally, I am indebted to the five-year old sweet heart Ishiti, our daughter who had to adjust many moments and missed the companion of her father during making this work.

(PIJUSH MANDAL)
