ACKNOWLEDGEMENTS

I take this opportunity to acknowledge here the contributions and help rendered by many scholars in the completion of this research work. At the outset, I am highly grateful and indebted to Dr. Shivananda Nari, Associate Professor, Department of Economics, Karnataka University, Dharwad who through his able guidance, comments and suggestions has helped me in the completion of this research study. He has been a source of constant encouragement and help right from the selection of the research topic till its completion.

I will be failing in my duty, if I do not mention the name of Prof. S. Indumati, Chairperson, BOS in Economics and Cooperation, Prof. B. K. Tulasimala, DOS in Economics and Cooperation, University of Mysore and Dr. D. S. Leelavathi, Professor, Dept. of Economics, University of Mysore, Mysore it was their constant encouragement that made me to venture into its work.

I acknowledge the help of the staff of the Statistical Office and officials of ZP, Mysore District. They helped me in collecting data and necessary information for thesis work. I am also thankful to the staff of Library, University of Mysore for providing useful information. It is my duty to thank Dr. K. Shivachithappa, Co-ordinator, Directorate of Research, University of Mysore & Member, Planning Board, Government of Karnataka, for his constant support and encouragement in completing the research.

I don’t find words to express my gratitude to my parents specially my father Sri. C. V. Venkatesha and my mother Smt. Nagamma and my brother Mr. Mohana C. V and Mr. V. Rajagopal, Secretary, Development Research Foundation, Mysore, M. Chandrashekar and Dr. Chikkamadhu without their support and healthy encouragement it would have been difficult to complete the thesis work. I am very obedient and loyal in throughout my life to my teachers for their invaluable comments and supervision in the completion of this research work.
