ACKNOWLEDGEMENT

The long cherished dream has come true. I am on the verge of getting my doctoral degree and this is the time to say a sincere thanks to all those who have, in some way or the other helped me directly or indirectly to sail through.

I offer flowers of gratitude to the almighty God who has been the source of strength throughout my life.

The person whose picture comes first in my mind is of my esteemed supervisor Dr. Pankaj Kumar Sharma, Professor and Senior Assistant Director, School of Pharmaceutical Sciences, Jaipur National University, Jaipur (Raj.) and my esteemed co-supervisor Dr. G. N. Darwhekar, Professor and Principal, Acropolis Institute of Pharmaceutical Education and Research, Indore. I want to express my sincere thanks to them for their valuable supervision and guidance. This research work is their brain child and able guidance; I could give some ground to the novel idea. Their constructive criticism and constant motivation were the real driving forces. No words can speak of their involvement and fraternal care.

I want to express a deep sense of gratitude and the respect to Dr. Birendra Shrivastava, Director, School of Pharmaceutical Sciences, Jaipur National University, Jaipur for providing facilities, valuable suggestions and constant encouragement during the tenure of the project.

I express my sincere thanks to Dr. H. N. Verma, Vice-Chancellor, Jaipur National University for valuable suggestions, inspiration and support throughout the project.

I express my sincere thanks to Dr. R. S. Lokhande, Professor Incharge, Research Cell, JNU, Jaipur for his suggestions and inspiration.

I express my sincere thanks to the management of AIPER, Indore for providing motivation and encouragement for the project.

It’s my pleasure to express my grateful thanks to Dr. Ranjan Bairwa, Dr. Ganesh Kumar Sharma, Mr. Ravi Dahiya and other faculty members of SOPS, JNU, Jaipur for their valuable suggestions and support.

I am very much thankful to Piramal Healthcare, Indore for providing Carvedilol, Cipla Ltd., Mumbai for providing Felodipine and Shagun Pharmaceuticals, Indore for providing Tadalafil and Telmisartan as a gift samples to promote the research work.
I want to express the sincere thanks to IAEC, Acropolis Institute of Pharmaceutical Education and Research, Indore for approving, allowing and providing facilities to perform *in-vivo* studies on animals.

I sincerely thanks to center director and director of UGC-DAE-CSIR for allowing me for utilizing the SEM facility. Thanks Dr. D.M. Phase for allocating the time slot for performing the SEM experiment. Thanks Mr. V. K. Ahire for performing SEM experiment and providing data.

This page is incomplete without thanking my colleagues and friends and wishing them success in life. “A friend in need is a friend indeed”, the quote comes true for my friends Ravi Sharma, Anupam Mishra, Tahir Nizami, Ashish Gupta, Harsha Jain and Anamika Singh. Their presence itself instilled confidence and lifted the sagging spirit.

I also acknowledge the help provided by the non teaching staff of School of Pharmaceutical Sciences, JNU, Jaipur.

I dedicate this project work to my family and friends. It was their encouragement and patience that I have been able to come so far. Their confidence in me inspired me to work harder and harder.

Last but not the least I express my gratitude and apologize to everybody whose contribution I could not mention in this page.

Date: Pravin Kumar Sharma

Place: Jaipur
