

ACKNOWLEDGEMENT

I would like to thank my Advisor, **Dr. SATHEESH. K**, Assistant Professor, Research & Development, Department of Physics, Dhanalakshmi College of Engineering, Manimangalam, Tambaram, Chennai of whom I have the utmost respect. He is a mentor in every sense of the word. It has truly been an honor to work under his guidance.

The author is highly thankful to **Dr. Chithambaram. V**, Associate Professor, Sri Krishna College of Engineering, Kanchipuram for his kind support and constant encouragement to carry out this research work. The author would like to thank and acknowledges the support from the Doctoral Committee members **Dr. Anbuhezian**, Associate Professor, Department of Physics, Valliammai College of Engineering, SRM University, Kattankulathur, Chennai and **Dr. S. Krishnan**, Assistant Professor, Department of Physics, B.S. AbdurRahman University, Vandalur, Chennai.

The authors thank the management of Dhanalakshmi College of Engineering and especially indebted to the Chairman, **Dr. V.P. Ramamurthi**, for providing the excellent research facilities. The author would like to thank all the Faculty Members and Research Scholars of Department of Physics, Research & Development, Dhanalakshmi college of Engineering, Chennai for their support. I thank all my friends and family for their love and support. I would like to extend a special thanks to my parents **Mr. Palani. K.** and **Mrs. Amirthavalli. S** for the sacrifices they made to help me get here. I would also like to thank my sister **Ms. Keerthi Palani** for her infinite support as I pursue my career goals. I would like to extend my thanks to my Beloved husband **Mr. Saravanan Moorthy** for his constant support and encouragement.

GEETHA P
