ACKNOWLEDGMENT

I owe a great deal of gratitude to my thesis supervisor, Professor Samina Khan, for guiding me through the successful completion of my research. Professor Khan was particularly helpful in my development and use of an anticolonial theoretical argument for the dissertation. She has been a wonderful mentor from the time of my registration in the university. Her guidance and direction has been most valuable.

I thank the Chairperson, Professor Mohammad Zahid, Department of English, Aligarh Muslim University, Aligarh, and all the teachers of the department, especially Professor Mohammad Asim Siddiqui for his advice on the development of a suitable theme for my thesis.

My thanks are due to all the staff members of the Department of English, AMU, for their support and help. I will always cherish the memories of reading in the lovely reading rooms of Maulana Azad Library, AMU. The staff of the library has been exceptionally generous.

My dear friends: you were always there when I needed you the most.

I am also grateful to my family members: love you all.
