I wish to express my deepest sense of gratitude and indebtedness to my guide Dr. D. K. Jain, Reader, Meerut College, Meerut for his invaluable guidance, constant encouragement, scholarly suggestions, untiring enthusiasm, affectionate behaviour, useful discussion and peerless criticisms during the course of investigation and preparation of manuscript.

I am obliged to Dr. N. P. Singh, Principal, Meerut College, Meerut for his timely help and continuous support during my course of research work.

I profusely thank Dr. P. C. Pande, Head, Meerut College, Meerut for his cooperative attitude and valuable suggestions during the course of my research work.

I am highly obliged to Dr. Malavika Dadlani, Joint Director Research, IARI, New Delhi for their valuable suggestions and constant encouragement during my research.

I feel immense pleasure to convey my heartfelt thanks to Dr. S. S. Parihar, Professor, Division of Seed Science and Technology, IARI, New Delhi for valuable suggestions and help throughout this endeavour.

I shall ever remain indebted to Dr. R. Shiam, Former Head, Department of Botany, Meerut College, Meerut for his wholehearted support and encouragement throughout the period of my research work.

I express my gratefulness to Mrs. Rajani Nigam, Mrs. Manju Upety, Shri H.C.S. Negi and Dr. C.P. Singh for their help during the laboratory and field experimentation.
Diction is not enough to express my unboundful gratitude and affection to my beloved parents. They acted like a backbone to me throughout the research. The endless love, affection, sacrifice and constant inspiration from my husband Bhupendra. My sisters Manju, Hemu and brother Abhishek have enabled me to reach the footsteps of my long cherished aspiration and uplifted me every time I need help.

Candid thanks to all my friends, especially, Debarati, Gunjan, Sunil, Uday, Sarvesh, Chanakya, Reshma, Vijeta and Jyoti who encouraged and helped me during my thesis work.

MEERUT
