ACKNOWLEDGEMENT

“The fear of the lord is the beginning of the wisdom”

I am much grateful and thankful to my Lord Almighty for His showers of blessing that enriched me with abundant strength, love, passion and grace that helped me to complete the study successfully. Success arrives to anybody only a person whether he or she is given an opportunity, being guided, moulded and exposed to suitable environment that nourish his or her knowledge, skill and attitude, such an environment is provided by the Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) in Chennai, I take this opportunity to thank the management of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) for providing me the chance to pursue PhD, also I extend my gratitude to the Vice-Chancellor, Registrar, Controller of Examination and other officials who helped me to streamline the study in the right direction.

I take this opportunity to express my sincere thanks, Shri. V. Sommana, Chairman and Managing Director VSS group of institutions, for his kind support, encouragement and permitting me to conduct this study.

Knowledge is power and it is vast as ocean, to obtain we need a ship of knowledge to travel in the ocean towards designation of knowledge; I sincerely dedicate my heartfelt gratitude to my captain and godfather Prof. P.V. Ramachandran, M.Sc (N) (Medical Surgical Nursing), Former Chairman, Sri Ramachandra College of Nursing, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai, the Indian pioneer in nursing research who had initiated and brought the concept of this study in its early stage. I thank his kind support and encouragement.

I express my sincere heartfelt thanks and gratitude to my guru, and my guide Dr. B.T. Basavanthappa, M.N, PhD (N) who has put his whole heart, soul, showing enormous wisdom and patience to evaluate my study, has given timely guidance, constant support, encouragement with valuable suggestion and cooperation that ignited a spark to complete the study.
For a kite to fly higher need a not only a strong string but a good hold on the string to reach height, I express my gratitude to my co-guide Dr. N.Sanjeeva Reddy M.D professor and HOD department of reproductive medicine, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), porur, Chennai who had a strong hold in my study, motivated me to successfully complete the study.

Guidance is always an essential factor to reach the goal, and for anyone to climb up we need a ladder, I express my thanks and gratitude to my Research Advisor Dr.O.S. Ravindran, Professor in clinical psychology, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai who helped me to climb up in my studies, in spite of his busy schedule, he found time for me to clarify my doubts and given corrections in my study.

I am very much thankful to Dr.S.J Nalini, M.Sc. (N) principal cum Professor, Department of obstetrics nursing, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai. Guided, inspired and shaped me in the initial stage of this study.

I owe special thanks to Prof. Chinnadurai, M.Sc, M. Phil, for helping me to undo the knots of statistical analysis and gain the clarity to interpret meaningful inferences for my study.

I am thankful and grateful to all the eminent experts who validated and given Valuable suggestions in my research tool, eminent experts Dr. Susheela, Principal cum professor, HOD, obstetric and gynecologic nursing, Bill Roth College of nursing, Maduravoil, Dr. S.J Nalini, Principal cum HOD, obstetric and gynecologic nursing, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai, Dr. N. Sanjeevareedy M.D, Professor cum HOD reproductive medicine, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai, Prof. P.V. Ramachandran, M.Sc.(N), Former-Chairman, Sri Ramachandra College of Nursing, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai Dr. Anuchithra Radhakrishnan, Professor cum HOD obstetrics and gynecology, SDS College of nursing, Bengaluru, Dr. O.S. Ravindran, Professor in clinical psychology, Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), porur, Chennai, Dr. Fathima
M.Sc. (N), Principal, HOD of Medical Surgical Nursing Padmashree College of nursing, Bengaluru, Dr. B.T. Basavanthappa, M.N, PhD (N), Principal, Rajarajeshwari College of Nursing, Bengaluru, Dr.Radhakrishnan Govindan, Asst.professor, NIMHANS, Bengaluru and Dr. Shoba M.D.DGO, Shoba hospital, Bengaluru have encouraged me throughout the study, I wish to express my sincere thanks to them.

I am indebted to all the nurses and postnatal mothers who volunteered to participate in the study without them this thesis would not be possible ever I am extremely thankful to Mr. Krishna gowda for Kannada translation of the tool

I thankful to Mr.P.Karthikeyaprasath, professor in Columbia College of nursing, Bangalore who helped me to complete to do computerized task in my study.

I am grateful to Prof. Rajeswari for English correction and the entire study No words can express gratitude to my greatest asset, my husband Dr. I. Clement M.Sc., (N)., principal, Columbia college of nursing, he has helped and supported in every aspect of my research study, also I thank my little children Cibin, Cynthia and Cavin who sacrificed their comfort throughout my study, their love and affection towards me boosted to complete the study.

This dissertation is dedicated to my parents; whatever I am today is because of his powerful prayers, blessings and sacrifice.
