ACKNOWLEDGEMENT

I express my deep sense of gratitude and indebtedness to Prof. L. K Jha, (Supervisor), Department of Environmental Studies, North Eastern Hill University, Shillong, for his guidance, support and encouragement all throughout the period of my research work.

I am grateful to Prof. D. Walia, Head of the Department of Environmental Studies, North-Eastern Hill University, for granting me the access to all the necessary departmental facilities during the course of my research work. I offer my reverence to Prof. B.K. Tiwari, Prof. D. Paul, Prof. O.P. Singh and Dr. S.S. Chaturvedi for their invaluable suggestions and constant encouragement.

I am thankful to the non-teaching staff of the department for their immense help and support during my research work.

I thankfully acknowledge Dr. A. A. Mao, Scientist E & Incharge, Botanical Survey of India, ERC, Shillong, Meghalaya and State Forest officials for providing me planting materials during my research work. I also thank the Indian Council of Agriculture Research (ICAR), Shillong for availing me the meteorological data of the study period.

I acknowledge with thanks the University Grants Commission (UGC), New Delhi for the UGC-NET fellowship which was highly helpful for completion of the research.

I also extend my thanks to my fellow research scholars and friends, Kavita, Moumita, Mary, Batriti, Sudipta, Petevino, Gunjana, Jim, Phylliew, Somendro, Edmund, Etiban, Tiewri, Eugene, Anamika, Donboklang, Balawan, Tory and Vivek for lending their support and helping hands whenever needed.

My special thanks are due to Ms. Mayuri Baruah, TGT, Delhi Public School, ONGC, Nazira and Dr. Rebika Soibham, Assistant Conservator of Forest, Manipur Forest Department for necessary editing of the thesis.
I also thank my younger sister Devjani and aunt Soma for boosting my morale during the times of weal and woe.

Last but not the least; I am indebted to my beloved parents for the unconditional love, support and prayers that they have always blessed me with during the entire study period.
