ACKNOWLEDGEMENT

Few human efforts succeed without the cooperation and support of fellow human beings. And so in this exercise I am indebted to many. This Thesis is the result of help rendered directly or indirectly by many people and I feel it is high time to appreciate and acknowledge them.

At the outset my first expression of gratitude and sincerest thanks goes to my supervisor Professor M. Afzal Wani, former Dean and Professor of University School of Law and Legal Studies, GGS IP University Delhi for his affectionate and affable guidance, constructive encouragement and freedom to pursue my own ideas have gone a long way in shaping my thesis. Undoubtedly his keen insight and interest in subject helped me to explore many difficult ideas during my research work. Without his valuable insight, critical comments and incredible editing it would not have been possible to complete this work.

I express my deep sense of gratitude to Prof. Kanwal D P Singh Dean, USLLS for rendering all possible help and encouragements in completion of my thesis.

I also wish to put on record my sincere thanks to Professor Anil Kumar Tyagi, Hon'ble Vice Chancellor and Professor Pusplata Tripathi, Pro Vice Chancellor for their encouragement and keen interest to finish my research at the earliest.
