Acknowledgments

It is a great pleasure to thank all those who helped, supported, and encouraged me in various ways in the accomplishment of this thesis.

At the outset, I would like to express my sincere gratitude to my thesis guide, Prof. S. Ramachandran (Chairperson, Space and Atmospheric Sciences Division, Physical Research Laboratory), for his invaluable guidance, fruitful discussions, motivation, constant encouragement, kind support and cooperation at each and every stage of the work. This work would not have been possible without his active support. His discussions were critical to understanding and building upon the results of my research. I owe my indebtedness for his sincerity, patience, deep concern and wholehearted support for the fulfillment of this thesis.

I am extremely thankful to my thesis co-guide Prof. P. C. Vinodkumar (Head, Department of Physics, Sardar Patel University) for his support and cooperation during the thesis tenure.

I am greatly indebted to Dr. Anil Bhardwaj, Director, Physical Research Laboratory (PRL), for providing all the necessary facilities to carry out the work.

I am grateful to Prof. U. H. Patel (former Head), Department of Physics, Sardar Patel University for her guidance, support and cooperation during this work. I am also very thankful to all the faculty members of the department for their encouragement. My thanks are also to all other staff members of the department and university office (Academic section and Accounts section) for their continuous support and help.

I thank Prof. J. N. Goswami (Former Director), Prof. U. Sarkar (Former Director), Prof. P. Janardhan (Dean), Prof. Shyam Lal, and (Late) Prof. R. Ramesh for encouragement at various stages of my research. I would like to thank Dr. Y. B. Acharya for the kind support and guidance. I also thank Dr. Bhushit (Head

Academic services) and Academic Committee for help rendered during the thesis work. I would like to thank Director office (Pauline madam), Registrar office (Pradeep bhai), and Dean office (Hiral ben) for the continuous support and help.

My special thanks to Venkataramani for his unconditional support, cooperation, guidance and discussions on various occasions during the study period. I thank my colleagues Malai, Vishnu, Sunilkumar, Mitesh, and Vinchhi bhai for their association and help in managing the various scientific instruments and laboratory. I acknowledge the kind help and support rendered by Atul regarding computer related issues, and I always found him ready for help without any hesitation. I would like to express my sincere thanks to all members of Space and Atmospheric Sciences Division, especially Prof. R. Sekar, Prof. D. Pallamraju, Dr. D. Chakrabarty, Dr. Som Kumar Sharma, Dr. Lokesh Sahu, Dr. Harish Gadhavi, Dr. A. Guharay, RP, Aditya, Pankaj, Shashank, Anil, Pradeep, Sneha, Mahipat, Hetal, Atar, Bighnaraj for their help in various stages.

I am grateful to the members of the PRL IR Gurushikhar Observatory, Mt. Abu; Rajesh bhai, Mathur ji, Kothari ji, Jain bhai, Padam bhai, Nafees, and all other members for providing facilities for smoothly carrying out the experiments at Gurushikhar.

I acknowledge the NOAA Air Resources Laboratory (ARL) for the provision of the HYSPLIT transport and dispersion model and/or READY website (http://www.ready.noaa.gov) used in this work. I acknowledge NCEP Reanalysis derived data provided by the NOAA/OAR/ESRL PSD, Boulder, Colorado, USA, from their Web site at https://www.esrl.noaa.gov/psd/. I also acknowledge MODIS, OMI, AIRS, and TRMM data used in the study which are downloaded from the GES-DISC Interactive Online Visualization and Analysis Infrastructure, NASA.

I would like to thank the members of the Computer center; Jigar bhai, Tejas, Alok, Hitendra, Girish, Rahul, Prashant, and all other members for the help in computer related problems. I acknowledge the help from Nishtha madam, and all the members of PRL library. I wish to thank the members of the Civil and Maintenance department; Mahirale ji, Sanjay bhai, Viral bhai, Ketan bhai, Ram Lakhan, Nambiar ji, Rakesh bhai, Nilesh bhai, Jitu bhai, Sandip bhai, Vijay bhai, Vasu bhai, Rajesh bhai, and Shailesh bhai for their help in main-

The support extended by the members of the Workshop department; Ubale ji, Hitesh bhai, Vishnu bhai, Rajesh bhai, Vipul bhai, Bipin, Pramod regarding various development and maintenance works in the laboratory are gratefully acknowledged.

I wish to express my sincere thanks to the members of the Purchase department; Hemal bhai, Siva bhai, Nandini madam, Priti madam (now in Accounts), Manisha, Amee (now in Accounts), and Raza for their help in procuring the materials on time. I would like to thank all the members of the Stores department; Rashmi bhai, Sunil bhai, Neethu, and all other members for rendering their services promptly. I am grateful to the cooperation and support received from the Accounts department; Dixit sir (presently Registrar, PRL), Yugal bhai, Suresh bhai, Hitesh bhai, Keyur bhai, Ishita (now in Purchase), and Parul madam (now in Purchase). I would like to thank the members of the Administration; Ratin, Anand bhai, Sasi, Senthil Babu, Richa, Jayashree madam, and Kartik bhai, and all other members for their help in various stages. Also my sincere thanks to the members of Dispensary; Dr. Shital, Dr. Samir, and all other members for providing me the medical assistance as and when required.

I thank my friends Panda ji, Sudheer, Ravi da, Anil bhai, Neeraj bhai, Gautum, Sachi for their nice company and help. I would like to thank Hitesh, Manan, Hardik, Tanvi, Bhumi, Ankit for providing a friendly atmosphere in the Department of Physics, Sardar Patel University. I am thankful to Dr. Rohit Srivastava, ICCSIR for his support and cooperation.

I sincerely express my gratitude towards my parents for their encouragement, care, concern and blessings throughout my life. Perhaps words are inadequate to express any kind of acknowledgement for my wife, Seena and son, Rishabh, without whom I never would have made it through this process. I have found them always standing with me when required. Without their moral support, understanding and cooperation, it would have been impossible for me to finish this work.
